Em Big Hoom:

Em and the Big Hoom Jerry Pinto, 2014-06-24 The devastatingly original debut novel from a winner of the Windham Campbell Prize for Fiction Profoundly moving I cannot remember when I last read something as touching as this Amitav Ghosh author of *The Glass Palace* First published by a small press in India Jerry Pinto's debut novel has already taken the literary world by storm Suffused with compassion humor and hard won wisdom *Em and the Big Hoom* is a modern masterpiece and its American publication is certain to be one of the major literary events of the season Meet Imelda and Augustine or as our young narrator calls his unusual parents Em and the Big Hoom Most of the time Em smokes endless beedis and sings her way through life She is the sun around which everyone else orbits But as enchanting and high spirited as she can be when Em's bipolar disorder seizes her she becomes monstrous sometimes with calamitous consequences for herself and others This accomplished debut is graceful and urgent with a one of a kind voice that will stay with readers long after the last page

[The Routledge Encyclopedia of Indian Writing in English](#) Manju Jaidka, Tej N. Dhar, 2023-09-29 Today Indian writing in English is a field of study that cannot be overlooked Whereas at the turn of the 20th century writers from India who chose to write in English were either

unheeded or underrated with time the literary world has been forced to recognize and accept their contribution to the corpus of world literatures in English Showcasing the burgeoning field of Indian English writing this encyclopedia documents the poets novelists essayists and dramatists of Indian origin since the pre independence era and their dedicated works Written by internationally recognized scholars this comprehensive reference book explores the history and development of Indian writers their major contributions and the critical reception accorded to them The Routledge Encyclopedia of Indian Writing in English will be a valuable resource to students teachers and academics navigating the vast area of contemporary world literature

World Literature: A Non-British Approach Krishna Sharma, This book has been designed to help the students who prepare for competitive exams like UGC NET SET SLET PGT Assistant Professor Exams etc Every important writer across the world has been covered in this book The Caribbean African Canadian Australian German French Russian Italian Greek Roman New Zealandia and several other writers have been given in the book

Narrative Art and the Politics of Health Neil Brooks, Sarah Blanchette, 2021-03-15 As countless alterations have taken place in medicine in the twenty first century so too have literary artists addressed new understandings of disease and pathology Disability studies fat studies mad studies end of life studies and critical race studies among other fields have sought to better understand what social factors lead to pathologizing certain conditions while other variations remain normalized While recognizing that these scholarly approaches often speak to identities with radically different experiences of pathologization this collection of essays is open to all critical engagements with narratives of health in order to facilitate the messiness of cross disciplinary collaboration and interdisciplinarity As scientific advances provide insight into a wide range of well being issues and help extend life it is vital that we come to question the very categories of healthy and unhealthy This collection brings together analyses of cultural productions which probe those categorizations and suggest new psychological and philosophical understandings which will help better apply and guide the knowledge being rapidly developed within the life sciences Right of health is a widely accepted human right but in applying a right to healthcare what care and what sort of health are less universally agreed upon The contributors share an interest in addressing who controls answers to the questions of how do we define a healthy body and a healthy life and what are the political forces that influence our definitions of health

Retrieving the Crip Outsider Someshwar Sati, 2024-03-30 Why are abnormal figures at the heart of literary canon and what do they tell us about the society that writes and circulates these stories This book studies the constitution of disability and discusses concepts of corporeal difference that are socio historically rooted in the Indian cultural milieu The volume aims at looking at the central issue of the various aspects of disability representation the impact of these representations on the materially embodied experience of disablement the political imperatives shaping the narratives of corporeal difference and the influences of highly particularised local cultural context on the constitution of epistemic and discursive notions of corporeality The volume follows three routes of inquiry How do we find disability in texts or what are disability texts How do we read concepts historically

using literary and cultural texts and what would a similar study of the Indian context reveal How do we study culturally distinct ways of narrating bodyminds These questions will be answered through a discussion of representation histories of the abnormal informed by histories of disease conditions and its representations with the aim of developing ways of thinking and talking about concepts of corporeal difference that are socio culturally and socio historically located away from the western context and to explore the intersections between gender caste religion sexuality class and disability

Understanding Disability Ranu Uniyal,Fatima Rizvi,2023-11-02 This edited volume brings together contributions on disability studies organized around two themes literary and sociological aspects The contributors include academics disability activists and researchers from within and outside the Indian periphery While the book strengthens the disability discourse and contributes to building academic scholarship on this subject it also promotes disability activism by giving space to both direct practitioners and persons with disabilities The chapters discuss various analytical and literary aspects of the marginalization experienced by the disabled community and bring forth new and elaborate perspectives It draws connections across multiple identities and includes personal narratives across nations cultures and societies It is an excellent research resource on disability studies in India for scholars and students in the area of humanities education law sociology and social work while at the same time also addressing the global context
