

The background of the entire slide is a photograph of a person standing on a dark, silhouetted hill or dune. The person is facing away from the camera, looking up at a vast night sky. The sky is filled with stars, and the Milky Way galaxy is clearly visible, arching across the upper half of the frame. The colors of the sky transition from a deep purple and blue at the top to a bright, warm yellow and orange near the horizon, suggesting the light of a rising or setting sun or moon. The overall mood is contemplative and awe-inspiring.
