Hollywood or History Scott L. Roberts,Charles J. Elfer,2018-07-01 Teaching and learning through Hollywood or commercial film productions is anything but a new approach and has been something of a mainstay in the classroom for nearly a century Purposeful and effective instruction through film however is not problem free and there are many challenges that accompany classroom applications of Hollywood motion pictures In response to the problems and possibilities associated with teaching through film we have collaboratively developed a collection of practical classroom ready lesson ideas that might bridge gaps between theory and practice and assist teachers endeavoring to make effective use of film in their classrooms We believe that film can serve as a powerful tool in the social studies classroom and where appropriately utilized foster critical thinking and civic mindedness The College Career and Civic Life C3 framework represents a renewed and formalized emphasis on the perennial social studies goals of deep thinking reading and writing We believe that as teachers endeavor to digest and implement the platform in schools and classrooms across the country the desire for access to structured strategies that lead to more active and rigorous investigation in the social studies classroom will grow increasingly acute Our hope is that this edited book might play a small role in the larger project of supporting practitioners specifically K 12 teachers of United States history by offering a collection of classroom ready tools based on the Hollywood or History strategy and designed to foster historical inquiry through the careful use of historically themed motion pictures The book consists of K 5 and 6 12 lesson plans addressing the following historical eras Adapted from UCLA National Center for History in Schools **Extending the Ground of Public Confidence** Janie Hubbard,2019-09-01 In these times and for future generations students must learn how to analyze constantly changing issues decipher media as truth or fake news and contest highly competitive biased informational sources Students must develop knowledge skills and attitudes necessary for leveraging their capacity as active citizens charged with holding institutions accountable for truthfully addressing and protecting civil liberties *Extending the Ground of Public Confidence Teaching Civil Liberties in K 16 Social Studies Education* is a book grounded in current scholarship and seeks to address the need for a practical user friendly resource for teaching

civil liberties in K 12 social studies and teacher education This book brings together chapter length discussions about various issues introduced first from historic perspectives and then compared and described in modern terms Such topics include though are not limited to disputes surrounding freedom of speech and religion power issues defending property rights debates on security of persons and privacy free exercise of assembly and expression and the endless debate about who can and cannot vote in U S elections Each chapter contains teaching ready inquiry based learning activities framed by the National Council for the Social Studies NCSS College Career and Civic Life C3 Inquiry Arc 2013 Students 1 develop questions and plan investigations 2 apply disciplinary concepts and tools 3 gather evaluate and use evidence and 4 work collaboratively to communicate conclusions and take informed action Lesson ideas engage learners across age groups and grade levels in learning that fosters informed sustainable actions aimed at upholding and protecting civil liberties Critical Perspectives on Teaching in the Southern United States Tori K. Flint, Natalie Keefer, 2020-10-21 Critical Perspectives on Teaching in the Southern United States presents provocative insights into education in the Southern United States from the perspective of educators This book foregrounds the Southern United States unique sociopolitical sociohistorical and sociocultural contexts which directly influence knowledge and classroom pedagogies Contributors use critical frameworks that coalesce around methods including self reflection social justice and culturally responsive relevant sustaining and asset based pedagogies Chapters explore salient topics such as race language gender discrimination identity immigration poverty social justice and their influence s on pedagogy This book raises complex questions considering how history has shaped present day education in the Southern U S context It's Being Done in Social Studies Lara Willox, Cathy A. R. Brant, 2018-11-01 After a recent CUFA conference many social studies teacher educators came to realize that pre service teachers are skeptical of calls to integrate sensitive topics in the curriculum because they do not see it in their field experiences The purpose of this edited book is to share examples of Pre K 12 grade teachers schools or school systems that infuse race class gender and sexuality in the curriculum This book offers concrete examples of social studies teachers schools and schools systems committed to the inclusion of topics often deemed as sensitive or controversial Care was taken to provide examples from diverse geographic areas school types public charter private etc and grade levels Researchers teamed with practicing professionals to highlight teachers and schools that successfully integrate race class gender and or sexuality in the curriculum The chapters provide specific examples of content inclusion share high leverage practices and provide advice for others infusing race class gender and sexuality in the curriculum
