Gustav W Friedrich :

Teaching Communication Anita L. Vangelisti, John Augustine Daly, Gustav W. Friedrich, 1999 Inside this second edition of Teaching Communication editors Anita Vangelisti John Daly and Gustav Friedrich have assembled a fully comprehensive and contemporary discussion of topics and issues concerning the teaching of communication The chapters contained herein contributed by key voices throughout the communication discipline address conceptual as well as practical issues related to communication instruction The contents of this new edition reflect the dramatic changes to communication education that have occurred since the publication of the first edition in 1990 This volume is a necessity for anyone starting out in a career as a communication instructor Veteran educators who know that learning to teach is a continual growth experience will find new insights and fresh perspectives in these pages

Strategic Communication in Business and the Professions Dan O'Hair, Gustav W. Friedrich, Lynda Dixon Shaver, 1998 On business communication

I Gotta Tell You Matthew Wayne Seeger, 1994 The book concludes with speeches delivered on special occasions such as commencements and the celebration of the Statue of Liberty when Iacocca donned the role of celebrity and statesman

Ethics in Human Communication Richard L. Johannesen, Kathleen S. Valde, Karen E. Whedbee, 2008-01-09 Broad in scope yet precise in exposition the Sixth Edition of this highly acclaimed ethics text has been infused with new insights and updated material Richard Johannesen and new coauthors Kathleen Valde and Karen Whedbee provide a thorough comprehensive overview of philosophical perspectives and communication contexts pinpointing and explicating ethical issues unique to human communication Chief among the authors objectives are to provide classic and contemporary perspectives for making ethical judgments about human communication sensitize communication participants to essential ethical issues in the human communication process illuminate complexities and challenges involved in making evaluations of communication ethics and offer ideas for becoming more discerning evaluators of others communication Provocative questions and illustrative case studies stimulate reflexive thinking and aid readers in developing their own approach to communication ethics A comprehensive list of resources spotlights books scholarly articles videos and Web sites useful for further research or personal exploration

Teaching First-Year Communication Courses Pat J. Gehrke, 2018-07-26 In this book eleven teacher scholars of communication provide a robust study of the challenges and opportunities facing those who teach first year communication courses The first half of the volume offers paradigmatic analyses including a survey of the ecology of the first year course a plea to integrate our first year courses into our research agendas a study of the gap between scholarship and pedagogy within rhetoric a proposal for seven core competencies to unify the various first year communication courses and an argument for a critical communication paradigm The second half details innovations in classroom practice such as the teaching techniques of social justice pedagogues team based learning as a model for the public speaking course response and feedback techniques in teaching public speaking at the University of Copenhagen teaching online speech as a new course focused on the unique

challenges of digital communication and the role of oral interpretation and performance classes in the first year curriculum Finally this volume concludes with the editor s manifesto for teaching public speaking *Communication and Learning* Paul Witt,2016-09-12 In this volume leading scholars from the fields of communication educational psychology and international education address what is known about the strategic role of interpersonal communication in the teaching learning process Instruction often involves spoken communication that carries information from teacher to learner and in these instances the teacher s skillful and strategic use of language has a measurable impact on learning outcomes Thus the cumulative findings of instructional communication research are instrumental in maximizing the efficiency and effectiveness of both teaching and learning Major sections of this volume include Historical and Theoretical Foundations Instructor Characteristics and Behaviors Student Characteristics and Outcomes Pedagogy and Classroom Management Teaching and Learning Communication Across the Life span This handbook serves researchers professors and graduate students by surveying the collective findings of research and experience concerning the intentional activity of teaching and learning

Post-Pandemic Pedagogy Joseph M. Valenzano III,2021-11-01 Post Pandemic Pedagogy A Paradigm Shift discusses how the COVID 19 pandemic radically altered teaching and learning for faculty and students alike The increased prevalence of video conferencing software for conducting classes fundamentally changed the way in which we teach and seemingly upended many best practices for good pedagogy in the college classroom Whether it was the reflection over surveillance software or the increased mental health demands of the pandemic on teachers and students or the completely reshaped ways in which classes and co curricular experiences were delivered the pandemic year represented an opportunity for one of the largest shifts in our understanding of good pedagogy unlike any experienced in the modern era This edited collection explores what we thought we knew about a variety of teaching ideas how the pandemic changed our approach to them and proposes ways in which some of the adjustments made to accommodate the pandemic will remain for years to come Scholars of communication pedagogy and education will find this book particularly interesting

The Social Biome Andy J. Merolla,Jeffrey A. Hall,2025-02-11 A deep dive into the importance of daily communication and how we can harness its power to create a better life We spend much of our waking lives communicating with others How does each moment of interaction shape not only our relationships but also our worldviews And how can we create moments of connection that improve our health and well being particularly in a world in which people are feeling

increasingly isolated Drawing from their extensive research Andy J Merolla and Jeffrey A Hall establish a new way to think about our relational life as existing within social biomes complex ecosystems of moments of interaction with others Each interaction we have no matter how unimportant or mundane it might seem is a building block of our identities and beliefs Consequently the choices we make about how we interact and who we interact with and whether we interact at all matter more than we might know Merolla and Hall offer a sympathetic practical guide to our vital yet complicated social lives and propose realistic ways to embrace and enhance connection and hope **Catalog of Copyright Entries.
