Cartwright,2018-01-20 This is the story of how we built a car The Pembleton Brooklands Deb and I were probably the first rookies with zero automotive knowledge ever to build a Pembleton and this book is designed to help and inspire others to do the same And what will you discover The Pembleton Brooklands is a celebration of the individual and individuality In a world where all cars look the same and where we are encouraged to abrogate our responsibility for self preservation there is nothing so liberating and empowering as packing your own parachute and jumping into the unknown and anyone can do it Your life will never be the same again For those of you whose journey is at the very beginning this book may help get you started For those who have helped us along the way Thank you And for all those who smile wave and share our dream
