**Shaw's Textbook of Gynecology E-Book** V. G. Padubidri,Shirish N Daftary,2014-09-15 Shaw s Textbook of Gynaecology one of the best selling gynaecological textbooks of all time has maintained its popularity with teachers examiners and students It is now in its 79th year of publication The organization of content in this book is such that it provides the reader with a logical sequence of events that aid learning The main objective of this best selling title is to meet the needs of undergraduate medical students and those preparing for postgraduate medical entrance examinations This book will also be useful for nursing and physiotherapy students Salient Features Extensively revised and updated to incorporate the latest changes and development of newer concepts Systematic presentation to make reading smooth and pleasurable by deleting redundant details adding new tests figures and tables and improving the earlier figures Provides the current methodologies and standard techniques Attempts to reduce the in depth explanations by giving the subject matter in pointwise form for some important topics Inclusion of self assessment and suggested reading at the end of each chapter

**Howkins & Bourne, Shaw's Textbook of Gynecology, 17edition-EBOOK** Sunesh Kumar,V. G. Padubidri,Shirish N Daftary,2018-07-24 The book is extensively revised and updated to incorporate the latest changes and development of newer concept Written in a narrative manner which is easier to understand Bulleted text and key highlights important points in boxes for extra emphasis and retention Inclusion of more flowcharts and colored pictures It covers the entire course curriculum in an easy to understand retain and reproducible manner including assessment questions to help in rapid revision and exam preparation It is an enhanced book with videos and lecture notes on challenging procedures to help them better visualize understand and retain information **Self Assessment & Review Gynaecology** Sakshi Arora,2018-03-30

**Shaw's Textbook of Operative Gynaecology - E-Book** C. N. Hudson,Marcus E Setchell,2011-09-30 Chapters that are

new or radically changed include the opening chapter on the Health Needs of Women in a Changing Society Teaching and Learning Surgical Techniques and chapters on Minimal Access Surgery which are richly illustrated by remarkable photographic images Chapters on Pelvic Floor and Cancer Surgery retain well established operative procedures where relevant but include accounts of exciting newer techniques such as robotic surgery Up to the minute chapters on Radiology Radiotherapy and Chemotherapy are provided by colleagues from these specialties who now form part of modern multidisciplinary teams The 6th Edition which appeared in 2001 reflected the growing replacement of conventional abdominal and vaginal surgery with radiological interventions endoscopic surgery and medical treatments The last 10 years have seen worldwide acceptance of the benefits of less invasive gynaecological procedures allowing ever shorter stay in hospital and quicker recovery for the patient but often with the use of much more expensive and complex technological equipment At the same time there has been an increasing trend towards super specialisation so that in many parts of the world gynaecologists focus on a narrower field of activity Specialists need to be aware of these developments even though the individual gynaecologist may carry out only a limited range of operations or therapies The structure of the book has been changed radically separating benign from malignant conditions congenital from acquired and with a strong emphasis on patient choice safety and prevention of complications
