The Mystery of a STOLEN VIRGINITY Chinyere Udeh, 2020-08-28 Many women in the third world and even some civilized countries have been victims of rape and other forms of sexual molestation at one time or the other. The situation is worse in Africa where such incidents go unreported because of fear of stigmatization by society. In many parts of Africa, the girl child grows up in an environment that exposes her to physical, mental, emotional, and sexual abuse that leaves physical and emotional scars she carries all her life. In *The Mystery of a Stolen Virginity*, Charlotte grew in such an environment where she faced a series of physical, emotional, and sexual molestation. She believed she had successfully navigated through her treacherous environment and successfully preserved her virginity for her eventual husband, Anthony Camper, a loving and very caring man. Throughout their courtship, sexual relationship was excluded and reserved for the magical wedding night. It is ironic, even tragic, when she and her husband discovered on their wedding night that the much cherished and respected virginity had mysteriously disappeared. This shocking discovery raises several questions: To whom, when, and where did Charlotte Camper lose her virginity? Did Charlotte know that she was no longer a virgin? Can their young marriage survive this early shock?

Palm of the Rainforest Ikénnà Nn?l?,2020-08-28 I know who I am Kelvin seemed desperate to win his father's approval However Mr Eze not only seemed unwilling to bestow it but hell bent in making life unbearable for his acclaimed son Kelvin thought it would be best to find his true family rather than endure the torture of being the unwanted child He realised that his quest for recognition was unlikely to succeed so he set his eyes on freedom In the meantime Kelvin expected that a good academic performance would change his luck and put him right with Mr Eze or at least boost his confidence in his abilities With all his attention on his studies competing for the best grades against the leading brains in his class especially Christian an indomitable rival he would not let school romance get in the way of his goal But slowly and steadily Chioma gained his trust and won him over He would have to make a decision between holding on to his moral principle or satisfying his human desire for friendship

New Home New Identity Marginalised and decimated the Biafran people were forced to go to war and secede from Nigeria But decades after losing the war and embracing the Nigerian identity they are still not treated as equal citizens in their home country As a new wave of terrorism sweeps the northern parts of the country the Biafran people predominantly Igbo are again decimated as they have been for decades in every crisis and this led to renewed discussions about their independence For Biafra the fight for equality was over and their Sovereignty was not negotiable For Kelvin it wasn't very different and so his quest for truth and independence must begin His compulsory holiday in Igbo land would expose him to the truth that might have indirectly caused him to abandon his academic pursuit Perhaps it was just an excuse to free himself from the clutch of Mr Eze and begin his quest for the truth about his identity
