

JULY'S PEOPLE

NADINE A NOVEL
GORDIMER

Winner of the Nobel Prize in Literature

"So flawlessly written that every one of its events seems chillingly, ominously possible." —Anne Tyler, *The New York Times Book Review*

Julys People Nadine Gordimer

Thirumalaisamy P.
Velavancorresponding

Julys People Nadine Gordimer:

July's People Nadine Gordimer, 2005-11-21 A terrifyingly plausible vision from one of the most enduring and acclaimed writers in the English language *Nadine Gordimer's July's People (ELL)*. , 2009 **Nadine Gordimer July's People** , 1986

July's People by Nadine Gordimer , 1989 **Nadine Gordimer's July's People** Brendon Nicholls, 2013-11-12 Nadine Gordimer is one of the most important writers to emerge in the twentieth century Her anti Apartheid novel *July s People* 1981 is a powerful example of resistance writing and continues even now to unsettle easy assumptions about issues of power race gender and identity This guide to Gordimer s compelling novel offers an accessible introduction to the text and contexts of *July s People* a critical history surveying the many interpretations of the text from publication to the present a selection of new and reprinted critical essays on *July s People* providing a range of perspectives on the novel and extending the coverage of key approaches identified in the critical survey cross references between sections of the guide in order to suggest links between texts contexts and criticism suggestions for further reading Part of the Routledge Guides to Literature series this volume is essential reading for all those beginning detailed study of *July s People* and seeking not only a guide to the novel but a way through the wealth of contextual and critical material that surrounds Gordimer s text **Nadine Gordimer's July's People** Brendon Nicholls, 2013-11-12 Nadine Gordimer is one of the most important writers to emerge in the twentieth century Her anti Apartheid novel *July s People* 1981 is a powerful example of resistance writing and continues even now to unsettle easy assumptions about issues of power race gender and identity This guide to Gordimer s compelling novel offers an accessible introduction to the text and contexts of *July s People* a critical history surveying the many interpretations of the text from publication to the present a selection of new and reprinted critical essays on *July s People* providing a range of perspectives on the novel and extending the coverage of key approaches identified in the critical survey cross references between sections of the guide in order to suggest links between texts contexts and criticism suggestions for further reading Part of the Routledge Guides to Literature series this volume is essential reading for all those beginning detailed study of *July s People* and seeking not only a guide to the novel but a way through the wealth of contextual and critical material that surrounds Gordimer s text **Nadine Gordimer** Dominic Head, 1994-11-10 The award to Nadine Gordimer of the Nobel Prize for Literature in 1991 was an affirmation of her distinctive contribution to twentieth century fiction and to the creation of a literature that challenges apartheid In this study which may be used as an introduction as well as by those already familiar with Gordimer s work Dominic Head discusses each of her novels in detail paying close attention to the texts both as a reflection of events and situations in the real world and as evidence of her constant rethinking of her craft Head shows how Gordimer s concerns apparent in her earliest novels are developed through increasing stress on the politics of textuality and he pursues the implications of this development to consider how Gordimer s later work contributes to postmodernist fiction and to a recentering of political engagement in an era of uncertainty **July's People, by Nadine Gordimer** , 1993

Postcolonial Resistance David Jefferess, 2008-01-01 Despite being central to the project of postcolonialism the concept of resistance has received only limited theoretical examination Writers such as Frantz Fanon Edward Said and Homi K Bhabha have explored instances of revolt opposition or subversion but there has been insufficient critical analysis of the concept of resistance particularly as it relates to liberation or social and cultural transformation In *Postcolonial Resistance* David Jefferess looks to redress this critical imbalance Jefferess argues that interpreting resistance as these critics have done as either acts of opposition or practices of subversion is insufficient He discerns in the existing critical literature an alternate paradigm for postcolonial politics and through close analyses of the work of Mohandas Gandhi and the South African reconciliation project *Postcolonial Resistance* seeks to redefine resistance to reconnect an analysis of colonial discourse to material structures of colonial exploitation and inequality Engaging works of postcolonial fiction literary criticism historiography and cultural theory Jefferess conceives of resistance and reconciliation as dependent upon the transformation of both the colonial subject and the antagonistic nature of colonial power In doing so he reframes postcolonial conceptions of resistance violence and liberation thus inviting future scholarship in the field to reconsider past conceptualizations of political power and opposition to that power

A Study Guide for Nadine Gordimer's "July's People" Cengage Learning
