

UNIVERSITY OF CAMBRIDGE INTERNATIONAL EXAMINATIONS
International General Certificate of Secondary Education

MARK SCHEME for the May/June 2011 question paper
for the guidance of teachers

0510 ENGLISH AS A SECOND LANGUAGE

0510/22

Paper 2 (Reading and Writing – Extended),
maximum raw mark 84

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

- Cambridge will not enter into discussions or correspondence in connection with these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2011 question papers for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

June 2011 English 0510 02 Question Paper:

Finding Reliable Information Online Leslie F. Stebbins, 2015-09-16 We live in an information saturated environment and spend far too much time searching surfing skimming contributing and organizing the information in our lives We spend too little time immersing ourselves in reliable high quality information We are often so buried in information and strapped for time that we grab information like it was fast food without bothering to evaluate its quality Finding Reliable Information Online Adventures of an Information Sleuth uses stories or information adventures to illustrate the best approaches to searching for information and to help us develop our aptitude for locating high quality resources in a rapidly changing digital environment that is becoming proficient at monopolizing our attention with useless or unreliable information This book is about taking charge of the search process and not handing over the reins to search engines like Google Bing or Yahoo to dictate what information we consume Each chapter focuses on a quest for different types of information while digging deeper into the complexities of finding credible places to look for information and ways to think about evaluating it As the Internet evolves and becomes more sophisticated our strategies for finding and evaluating information need to evolve as well The stories in this book range from investigating challenging research questions to exploring health issues and everyday life questions like finding a reliable restaurant or product review These chapters go beyond the simple and more mechanical checklist approach to evaluating information though these factors are also discussed
