**La Double Inconstance. Comédie en Trois Actes** Pierre CARLET DE CHAMBLAIN DE MARIVAUX, 1749      *La Double Inconstance* Pierre Carlet de Chamblain de Marivaux, 1967      *La Double Inconstance : Comédie* P. Marivaux, 1965

The Progressive Poetics of Confusion in the French Enlightenment John C. O'Neal, 2011-03-14 In *The Progressive Poetics of Confusion in the French Enlightenment* John C O Neal draws largely on the etymological meaning of the word confusion as the action of mixing or blending in order to trace the development of this project which he claims aimed to reject dogmatic thinking in all of its forms and recognized the need to embrace complexity Eighteenth century thinkers used the notion of confusion in a progressive way to reorganize social classes literary forms metaphysical substances scientific methods and cultural categories such as taste and gender In this new work O Neal explores some of the paradoxes of the Enlightenment s theories of knowledge Each of the chapters in this book attempts to address the questions raised by the eighteenth century s particular approach to confusion as a paradoxical reorganizing principle for the period s progressive agenda Perhaps the most paradoxical thinker of his times Diderot occupies a central place in this study of confusion Other authors include Marivaux Crillon Voltaire and Pinel among others Rousseau and Sade serve as counterexamples to this kind of enlightenment but ultimately do not so much oppose the period s poetics of confusion as they complement it The final chapter on Sade combines contemporary discussions of politics society culture philosophy and science in an encyclopedic way that at once reflects the entire period s tendencies and establishes important differences between Sade s thinking and that of the mainstream philosophies Ultimately confusion serves O Neal argues as an overarching positive notion for the Enlightenment and its progressive ideals      **Love in the Theatre of Marivaux** Valentini Papadopoulou Brady, 1970

*Marivaux* E. J. H. Greene, 1965-12-15 The last thirty years have seen a renewed interest in the novels plays and essays of Marivaux Each year more of his work is made available to the public in partial editions More and better studies have appeared superseding the old and in the last thirty years almost all of his plays have been performed Today no corner of his work remains unexplored our knowledge of his life which had been until recently a tissue of fancy and anecdote has been enhanced by the discovery of a few facts This critical study of the entire body of Marivaux s writings sets out to tell whether this attention represents a securely established place for Marivaux among the great French writers or simply a vogue It consists of a careful analysis of the individual works in chronological order rather than in systematic groups as is customary showing the development of Marivaux s thinking and the intimate relationship among the plays novels and essays of any given period A history of the reception of the works by scholars and critics from Marivaux s time to the present presents succinctly the historical perspective through which the modern reader may understand the long indifference to Marivaux in France and his contemporary discovery Professor Greene s work will be of great value to all students of the eighteenth century in France Because of his lively interest in the theatre arts it will also be valuable for directors planning to produce

the plays of Marivaux **Pensée de Marivaux**, 2016-08-09 Envisager la pensée d'uncrivain que la tradition ne tient pas pour un penseur et dont les textes n'apportent pas la prétention philosophique peut paraître paradoxal voire naïf Mais ce serait oublier que la réflexion prend bien des chemins et que la littérature est un espace de pensée Il faudrait par conséquent plutôt s'attacher du fait qu'il puisse sembler anormal d'interroger la pensée d'uncrivain Mais le terrain est-il est vrai min Mieux vaut repartir sur des bases modestes et claires d'après quelques constats Ainsi concernant Marivaux est-il frappant de relever l'importance que tiennent les réflexions dans ses textes Rien de plus légitime dès lors que de se demander si ces pensées apparemment décousues n'entrent pas dans une conception ordonnée du réel et de l'humanité Il ne s'agit pas pour autant d'en revenir une position simpliste consistant attribuer chaque auteur une conception du monde partir d'un relevé de ses affirmations explicites ou implicites Plutôt que de se fourvoyer dans un exposé artificiellement complet de la pensée de Marivaux il paraît plus intéressant de faire quelques pas en direction de ce qui est pensé dans les textes de Marivaux

Interpretations of the United Nations Convention on the Law of the Sea by International Courts and Tribunals Angela Del Vecchio, Roberto Virzo, 2019-04-25 This book addresses current developments concerning the interpretation of the United Nations Convention on the Law of the Sea UNCLOS on the part of international courts and tribunals It does so from different perspectives by focusing on the jurisprudence of international and regional bodies such as the International Court of Justice ICJ the International Tribunal for the Law of the Sea ITLOS the European Court of Justice ECJ and the European Court of Human Rights ECtHR as well as international arbitral tribunals and the World Trade Organization WTO Dispute Settlement Body The various contributions offer in depth analyses of issues ranging from the interaction between the sources of the International Law of the Sea to various substantial procedural and institutional aspects of the regulatory framework established by UNCLOS The book also focuses on the reference by international courts and tribunals in Law of the Sea cases to both general principles and rules concerning interpretation codified in the Vienna Conventions on the Law of Treaties

 Grégoire Halbout,2022-01-13 A 2022 CHOICE Outstanding Academic Title Love at first sight whirlwind marriages break ups  
 divorces remarriage What accounts for the enduring success of the Hollywood madcap comedies of the 1930s Directed by  
 masters of comedy Hawks LaCava Leisen Ruggles and featuring the decade s most iconic stars Colbert Dunne Grant Hepburn  
 these films set romantic comedy standards for decades to come Screwball comedy embarked on two challenging missions to  
 poke fun at established social norms and to undermine stereotypical depictions of gender roles putting forward a discourse  
 that postulated the possibility of equality between men and women Gr goire Halbout s reexamination of screwball comedy  
 provides a comprehensive overview of this sub genre eschewing the auteurist approach and including minor works never  
 before analyzed through the screwball lens His book explains how these screwball stories met the expectations of a booming  
 American middle class eager for the liberalization of morals with daring plots verbal humor and slapstick techniques Building  
 on the work of Cavell Altman and Gehring as well as international and French scholarship Halbout s investigation unfolds in  
 three parts He first establishes a definition of Hollywood screwball comedy through a cross sectional analysis of its socio  
 historical context and an in depth examination of the genre He then situates screwball comedy in relation to its institutional  
 context An exclusive study of archival material explains the emergence of a screwball aesthetic meant to subvert the  
 prohibitions of the 1934 Hollywood Production Code through a verbal and visual rhetoric of diversion and mitigation Finally  
 Halbout explores the social function of the genre s placement of romantic intimacy at the center of the public sphere and the  
 democratic debate confirming that screwball eccentricity upholds America s founding values freedom of speech free consent  
 and contractual engagement
