d'Afrique noire Alain Ricard, 1995-01-01 Un panorama d'ensemble sur les littératures d'Afrique noire toutes sur un plan linguistique aussi bien que littéraire *Genre et fondamentalismes* Sow, Fatou, 2018-09-26 When, why and how can religion and culture be both sources and places of expression for fundamentalisms particularly in relation to politics Those are the central questions asked throughout this book alongside a discussion on the result when religion is strengthened by culture is used as a political tool to access moral and social power Cultural and religious messages often form the basis of decisions laws and programs made in politics and have a direct effect on society in general and on women and gender relations in particular The various forms taken by fundamentalisms in some African countries and the contexts under which they have emerged the ways in which they reshape identities and relationships between men and women are also analysed in this book These fundamentalisms are frequently sources of concern in social debates in feminist and feminine organizations as well as in academia and politics The manipulation of cultures and religions are becoming progressively political and consequently can cause social discrimination or even physical moral and symbolic violence partir de quelques moments pour quelles raisons et de quelles manières la religion et la culture lorsqu'elles se lient au politique peuvent elles être la fois sources et lieux d'expression des fondamentalismes Ce sont les questions centrales qui traversent ce livre Ce qui est considéré ici c'est la religion lorsqu'elle est théologie qui fonde la culture et devient outil d'accès au pouvoir moral au pouvoir social et surtout au pouvoir politique Les messages culturels et religieux et leurs interpretations sous-tendent souvent les décisions les lois et les programmes prises par le politique Ils ont des effets directs sur la société en général et sur les femmes et les rapports de genre en particulier Les contributions cet ouvrage analysent les diverses formes du fondamentalisme dans quelques pays africains leurs contextes d'origine et la manière dont elles renforcent les identités et les rapports hommes-femmes Ces
