Spoken-for Billionaire's Fake Fiancee Kristen Iten, 2019-10-08 He's a billionaire on a mission. She's on her way to Paris. Will their new business arrangement get in the way? Jonas is on the verge of bankruptcy, but that's not what keeps him up at night. He can't let down his employees, not if he wants to keep the promise he made to his late mother. He has one chance to turn his business around, and it all depends on striking a deal with an eccentric billionaire in south Texas who's expecting a visit from him and his fiancée. But there's just one problem: Jonas's spoiled fiancée has no intention of taking part in anything so pedestrian as a business trip. But if Jonas can't show his potential new business partner that he's a stable family man, everyone who depends on his company will be put in jeopardy, including his administrative assistant Lily. When Lily walked into her boss's office with her resignation letter in hand, the last thing she expected was to leave the room ten minutes later with a new job description: fake fiancée. But she can't turn down the kind of money Jonas is offering for a single day on the job, not when it could fund her dream of moving to Paris and pursuing the career of her dreams. But what happens when a quick job turns out to be a whole lot longer than they bargained for? Will their hearts survive the strain of faking emotions that have their root in reality? *The Billionaire Triplets: A BWWM Romance* Mia Caldwell, Was he Mr. Right or was it just the best fling of her life? A passionate fling with a billionaire at a conference in Switzerland left serious business analyst Lissa Edwards breathless and grinning from ear to ear, wondering if she'd finally found Mr. Right because their affair had been so intense. And not just from her point of view: Julio Torres seemed equally eager to take things to the next level. She had no doubt that he'd keep his promise to see her again very soon, so they could give their cross-continental relationship a chance to see where

things might lead Lissa returned to her consulting firm in New York and Julio Torres returned to his business empire headquarters in Barcelona Spain And he didn't call her Days passed and then weeks passed and despite some subtle attempts to reach out Julio didn't reply Saddened and disappointed Lissa had too much pride and was too practical by nature to allow herself to moan and groan or go out of her way to press him for an explanation She didn't need to She understood Men say things they don't mean to get you in bed and that's all it was She wasn't about to chase after some man no matter how amazing she felt in his arms no matter how much her heart kept telling her that he was the one Obviously her heart wasn't thinking very clearly But Lissa's determination to forget about Julio Torres is blown out of the water the moment she finds out that she's pregnant with the billionaire's triplets
