Lummis Ellet,2020-09-28 When Mrs Ellet compiled her history of The Women of the Revolution she could not have foreseen the deep interest in Colonial and Revolutionary history that was destined to mark the last decade of the Nineteenth Century nor could she have realized that the various patriotic societies that were to be organized among women would lead to as great an interest in the lives of the mothers as in those of the fathers of the Republic Yet the writer of these sketches of noted women has prepared for just such a phase of American life which makes her work now appear a prophecy of the future as well as a summary of past events The Women of the Revolution having been published in the middle of the century the material for these biographical sketches was collected while some men and women were still living who could recall the faces and figures of the statesmen and soldiers of the Revolutionary struggle When the sketch of Mrs Philip Schuyler went to press the daughter of that heroic lady was still living in Washington and able to relate for the entertainment of her friends stirring

incidents of her mother's life and of her own life in camp with Mrs Washington when as Miss Betsey Schuyler she won the heart of the General's young aide de camp the brilliant versatile Hamilton Another interesting character who was living while Mrs Ellet's work was in course of preparation was Mrs Gerard G Beekman whose mind was a storehouse of Revolutionary incidents and adventures of many of which she was herself the heroine or an eyewitness There are in these volumes many proofs that Mrs Ellet availed herself of the opportunities afforded her to draw from original sources In some instances the author acknowledged her indebtedness to the rich fields of reminiscence in which it was her privilege to glean in other passages the result of such gleaning is evident from the minuteness and vividness with which she portrayed certain characters and depicted the scenes and circumstances in which they moved In the opening paragraph of the sketch of Martha Wilson of New Jersey Mrs Ellet speaks of the valuable fund of recollection that was opened to her through familiar association with intimate friends of the subject of the biography Mrs Wilson who lived through the first decade of the Nineteenth Century recollected the stirring days of the Revolution when New Jersey was its principal battle ground and she as the daughter of one of General Washington's officers and the wife of another entertained in her father's house and in her own the Commander in Chief and other prominent Revolutionary heroes Mrs Wilson was able to relate many conversations that were held at her table and numerous personal incidents which threw light upon the characters of Washington Wayne Greene and Knox while the faces and voices of such foreign patriots as Pulaski and the Marquis de Lafayette were familiar to her as household words

Women in American History Peg A. Lamphier, Rosanne Welch, 2017-01-23 This four volume set documents the complexity and richness of women's contributions to American history and culture empowering all students by demonstrating a more populist approach to the past Based on the content of most textbooks it would be easy to reach the erroneous conclusion that women have not contributed much to America's history and development Nothing could be further from the truth Offering comprehensive coverage of women of a diverse range of cultures classes ethnicities religions and sexual identifications this four volume set identifies the many ways in which women have helped to shape and strengthen the United States This encyclopedia is organized into four chronological volumes with each volume further divided into three sections Each section features an overview essay and thematic essay as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson Lucy Stone and Lucille Ball and from the International Ladies of Rhythm to the International Ladies Garment Workers Union The set also includes a vast variety of primary documents such as personal letters public papers newspaper articles recipes and more These primary documents enhance users learning opportunities and enable readers to better connect with the subject matter
