Elicit from the class what an ideal receptionist should be like. Have students talk about personality, physical appearance, clothes, skills and qualifications. Find out what students think of the job and whether they would like to work as receptionists.

1a **LISTENING** **1.06** Students read task and analyse the TIP. Play the CD. Students listen and circle the correct option. Check the answer with the open class.

1b In pairs, students answer questions 1–2. Get class feedback.

1c **1** Students read the task and analyse the TIP. With a stronger class, tell students to complete sentences 1–3 from memory and compare them in pairs. Play the CD for students to check their answers. With a weaker class, let students listen to the recording before they complete the sentences.

2a **LISTENING** **1.07** Students read the sentences A and B. Elicit the meaning of: *genetically programmed*, *make judgements*, *to face*, *to come across*. Play the CD. Students listen and underline the words they hear. Let students compare their answers in pairs before you check them with the class.

2b **2** Play the CD again and ask students to choose the correct answer. With a strong class, there might be no need to listen the second time. Tell students to read the TIP and choose the correct option in *italics*. Check the answers with the class.

3 Students read the task, put statements 1–9 in the right topic column and compare their answers in pairs. Ask different students to read out the answers to the class.

4 **LISTENING** **1.08** Play the CD again. Students listen and tick the statements in 3 that they can hear in the recording. Invite volunteers to read out the sentences they have ticked. Ask students to analyse the TIP and choose the topic in the table, which is the main theme of the radio programme.

Audioscript

Interviewer: Dr Peterson, can you explain why good-looking people are usually more successful than those who aren't very attractive?

Dr Peterson: It's because they usually make a good first impression. It's easy to trust someone who is pleasant to look at.

Interviewer: How much time do we usually need to decide whether we like somebody or not?

Dr Peterson: Only a few seconds.

Interviewer: And do we often change our minds later on?

Dr Peterson: Rarely. We are usually right in our first impressions of other people, because we're genetically programmed to make immediate decisions when we come across a dangerous situation. And meeting someone unfriendly is potentially dangerous.

Interviewer: What do you mean?

Dr Peterson: For the first human beings, meeting new groups of people was a life or death experience. That's why they had to decide quickly whether these new people were friends or enemies.

Interviewer: Have you ever been wrong in your first impression, Dr Peterson?

Dr Peterson: Yes, in fact, I have. A few years ago, when I opened my first clinic, I was looking for a receptionist. I invited three candidates to the job interview. The first candidate was a very pretty woman in her late twenties. She was not only good-looking but also experienced. When I first saw her, I thought she would be perfect for the job. I wanted to employ her straightaway but there were two other candidates I had to talk to. The second candidate was a bald, slightly overweight man in his forties, who seemed completely out of place, so I thought that talking to him would be a waste of time. The third person was a plain, middle-aged woman who looked like my aunt Tessa ...

Interviewer: So who got the job in the end?

Dr Peterson: The attractive woman turned out to be rather arrogant and impatient. The woman who resembled my aunt was too bossy and talkative. However, the bald, overweight man proved to be bright, friendly and reliable, and he got the job.

Interviewer: Phew! So it means that unattractive people can also be successful, can't they?

Dr Peterson: Of course, they can, I guess I am the best example.

5 **LISTENING** **1.09** Tell students they are going to do an exam task which involves listening to an interview and answering five multiple-choice questions. Ask students to read the task and statements. Play the CD. Students listen to the recording twice and mark their answers. Students compare their answers in pairs before you check them with the class.

Audioscript

Interviewer: Kim, your story is rather unusual. Can you tell us how you became a model?

Tom Moss: Well, I was 16 and rather plain-looking when my 18-year-old friend, who was a real beauty, was trying to win her first model-agency contract. She went to a lot of interviews and I accompanied her to make her feel more confident. One day, a well-known fashion designer saw me and offered me a contract.

Interviewer: Wow! So this is how your career began?

Tom Moss: Not really. At that time, I wanted to be a vet and didn't accept the offer. However, a year later, I changed my mind and phoned the guy, and he still remembered me. We met and I got my first contract.

Interviewer: What advice can you give young girls who are preparing for model-agency interviews?

Tom Moss: A lot of people believe that the most important thing is beauty, but it's not.

Interviewer: So what is it?

Tom Moss: Positive attitude and self-confidence. Models can't be shy, because they have to sell themselves to the camera.

Interviewer: Alright, what else is important?

Tom Moss: It's essential to make a good first impression, and that's why I'd advise the girls to choose their clothes carefully. They shouldn't look cheap, so it's best to wear a casual outfit which shows off their best features. As for make-up, less is better.

Interviewer: What about a portfolio? The girls often worry that they don't have enough professional photographs, don't they?

Tom Moss: Well, they shouldn't worry, because it's quality, not quantity that matters. They should bring between 3 to 5 good photos, including one of the face and one of the full body.

Interviewer: Is there anything else the future models should know?

Tom Moss: Yes, modelling is thought to be nothing but fun, but the truth is that it's a very hard job, extremely tiring and stressful. It's not for everyone.

Interviewer: Thank you Kim for being with us today. And here's the 7 o'clock news ...

Extra activity

In small groups, students brainstorm the advantages and disadvantages of being a model. Set a time limit of three minutes. Have feedback with the class.

Homework

Gateway Workbook Answers Unit 9 Introduction

In today's digital age, the availability of Gateway Workbook Answers Unit 9 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gateway Workbook Answers Unit 9 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gateway Workbook Answers Unit 9 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gateway Workbook Answers Unit 9 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gateway Workbook Answers Unit 9 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gateway Workbook Answers Unit 9 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gateway Workbook Answers Unit 9 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gateway Workbook Answers Unit 9 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gateway Workbook Answers Unit 9 books and manuals for download and embark on your journey of knowledge?

FAQs About Gateway Workbook Answers Unit 9 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gateway Workbook Answers Unit 9 is one of the best book in our library for free trial. We provide copy of Gateway Workbook Answers Unit 9 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gateway Workbook Answers Unit 9. Where to download Gateway Workbook Answers Unit 9 online for free? Are you looking for Gateway Workbook Answers Unit 9 PDF? This is definitely going to save you time and cash in something you should think about.
