Essay topics

The following are topics from which you may choose to write your Gatsby essay. Choose one topic and shape your essay around a thesis that you create. Remember, your thesis is a statement, and should be an answer to the question you are trying to answer.

4. Discuss the novel's theme that the American Dream is corrupted by the desire for wealth. What does the novel and its theme offer about the American identity?
5. Who is most responsible for Gatsby's death?
6. Is what Gatsby feels for Daisy love, obsession, affection, or accumulation/objectification? What is Fitzgerald's message here? Consider discussing whether or not Gatsby can really love, given his characteristics.
7. Compare and contrast the major female characters in the novel: Daisy, Jordan, and Myrtle. How does each act towards men? What are their motivations/goals/desires/values? How are they treated by men (including the narrator/author)?

A Piagetian Reading of "The Great Gatsby". Gatsby's Character and Augmented Reality Marie H., 2014-10-14 Seminar paper from the year 2014 in the subject American Studies Literature grade 1.7 RWTH Aachen University Institut für Anglistik Amerikanistik und Romanistik language English abstract The paper at hand will focus especially on Piagets second development stage the preoperational stage which covers children around the age of three Subsequently the character of Jay Gatsby will be analyzed Does Gatsby act like a three year old boy and in how far does this affect his reality One question answered in the conclusion is if it is possible to analyze Gatsby only considering his egocentrism and if Piaget is the right theorist to use as a base In how far can Gatsby be reduced to only one of his attributes The most important literature that will be used is the novel The Great Gatsby by Fitzgerald as well as three publications written by Piaget *Meine Theorie der Geistigen Entwicklung* eng *My Theory of Mental Development* *Possibility and Necessity* Vol 1 *the Role of Possibility in Cognitive Development* and *Theorien und Methoden der Modernen Erziehung* eng *Theories and Methods of Modern Education* Those three publications are used because they are primary literature as well as relevant to the topic since they cover almost everything needed for this term paper This literature and such more will first give a definition of what the preoperational stage includes especially focusing on the egocentrism which

will then build the base for the character analysis By analyzing Gatsby s character I want to ascertain his obvious egocentrism All in all I believe that Piaget is a start to analyze Gatsby s psyche He is not the usual theorist used for character analysis since he focused his research on children Yet I believe Piaget is the right choice for this topic I chose him as the foundation of the paper to point out Gatsby s inner child [1000 Ideas for Term Papers in World Literature](#) Robert Allen Farmer,1970 **The SAGE Handbook of Mentoring** David A.
