Portable Generator Owner's Manual

DANGER! This generator is designed for outdoor use only. **Never** use this generator inside any building or enclosure including the generator compartment of a recreational vehicle (RV). **Carbon monoxide poisoning, fire and/or an explosion may result.** No user performed modifications, including venting of exhaust and/or cooling ventilation, will eliminate the danger. Always have at least two feet of clearance on all sides of the generator even while operating the unit outdoors.

DANGER! You must isolate the generator from the electric utility by opening the electrical system's main circuit breaker or main switch if this unit is used for backup power. **Failure to isolate the generator from the power utility may result in injury or death to electric utility workers and damage to the generator due to a backfeed of electrical energy.**

The Emission Control System for this generator is warranted for standards set by the Environmental Protection Agency. For warranty information refer to the engine owner's manual.

User's Guide to Powder Coating, 4th Edition Nicholas Liberto, 2003. The book addresses recent developments which have contributed to powder coating's ever increasing favorability over liquid coating. Since the publication of the last edition, this process has been adapted to a wider range of applications, notably for high temperature and temperature sensitive products. Equipment has been greatly improved, achieving faster color change, increasing transfer efficiency and reducing overall powder usage. Environmental requirements have prompted many companies to switch to powder coating. *User's Guide to Powder Coating Fourth Edition* combines information on the latest breakthroughs in the industry, notable ultraviolet curable materials for plastic and wood products, and improved systems and tried and true guidelines from the previous edition, including factors like material selection, design considerations, surface preparation, quality control, and testing, trouble shooting, and safety, and more, so you can achieve superior finishes with efficiency.
