Genre Across The Curriculum:

Genre Across The Curriculum Anne Herrington, Charles Moran, 2005-02-24 *Genre across the Curriculum* will function as a good textbook one not for the student but for the teacher and one with an eye on the context of writing Here you will find models of practice descriptions written by teachers who have integrated the teaching of genre into their pedagogy in ways that both support and empower the student writer While authors here look at courses across disciplines and across a range of genres they are similar in presenting genre as situated within specific classrooms disciplines and institutions Their assignments embody the pedagogy of a particular teacher and student responses here embody students prior experiences with writing In each chapter the authors define a particular genre define the learning goals implicit in assigning that genre explain how they help their students work through the assignment and finally discuss how they evaluate the writing their students do in response to their teaching

Everyday Genres Mary Soliday, 2011-02-07 Mary Soliday calls on genre theory which proposes that writing cannot be separated from social situation to analyze the common assignments given to writing students in the college classroom and to investigate how new writers and expert readers respond to a variety of types of coursework in different fields This in depth study of writing pedagogy looks at many challenges facing both instructors and students in college composition classes and offers a thorough and refreshing exploration of writing experience ability and rhetorical situation

Teaching Writing Genres Across the Curriculum Susan Lee Pasquarelli, 2006-06-01 This volume showcases the efforts of real teachers using the teaching events from real middle school classrooms Included is the work of eight hard working middle school teachers who are convinced that the form and function of genre is a way to teach writing across the middle school curriculum Each chapter contains sample lessons protocols classroom instructional materials and assessment tools to provide middle school teachers with an approach to explore rigorous expository writing instruction in their own classrooms

Genre Pedagogy Across the Curriculum Luciana C. De Oliveira, Joshua Iddings, 2014 This volume provides the most recent scholarship using a theory of genre emerging from Systemic Functional Linguistics It describes both theoretical and practical applications of a language based curriculum from elementary through to university level within a U S context While there are other genre based pedagogies in the U S SFL based genre pedagogies illuminate the importance of language and linguistic choice within the curriculum aiming to make these choices explicitly understood by scholars teachers and students Each chapter shows how this pedagogy can be adapted and used across many different disciplines and student age groups This volume will be of interest to postgraduate students and scholars of functional linguistics discourse analysis educational linguistics genre studies and writing theory and pedagogy

Landmark Essays on Rhetorical Genre Studies Carolyn R. Miller, Amy J. Devitt, 2024-11-01 *Landmark Essays on Rhetorical Genre Studies* gathers major works that have contributed to the recent rhetorical reconceptualization of genre A lively and complex field developed over the past 30 years Rhetorical Genre Studies is central to many current research and teaching agendas This

collection which is organized both thematically and chronologically explores genre research across a range of disciplinary interests but with a specific focus on rhetoric and composition With introductions by the co editors to frame and extend each section this volume helps readers understand and contextualize both the foundations of the field and the central themes and insights that have emerged It will be of particular interest to students and scholars working on topics related to composition rhetoric professional and technical writing and applied linguistics **Genre** Anis S. Bawarshi, Mary Jo Reiff, 2010-03-08 **GENRE AN INTRODUCTION TO HISTORY THEORY RESEARCH AND PEDAGOGY** provides a critical overview of the rich body of scholarship that has informed a genre turn in Rhetoric and Composition including a range of interdisciplinary perspectives from rhetorical theory applied linguistics sociology philosophy cognitive psychology and literary theory
