Bridging the Gap Between God and Medicine Joy Aifuwa PharmD,2018-06-06 Although millions of people all over the world have criticized the Bible and conclude that its contents are myths or fairy tales this is far from true The same God who created the plants and microbial organisms from which many medications have been derived has also provided a collection of books from which healing can be obtained Bridging the Gap between God and Medicine is designed for both laypersons and health professionals who seek to incorporate biblical principles into their own medical understandings and professional practices In a concise way it embraces the need for modern medicine that exists today while also pointing to the ultimate source of medicine God As you read about the link between God and medicine you will be reintroduced to the origin of medicine from the natural environment learning where true healing comes from Faith and science are far from opposites and just as God provides the literal seeds from which medical cures are found He also provides in His Word the Bible the seeds for true spiritual and physical healing Just as medicine cures the body the Word of God cures the soul and body

Peacekeeping and the African Union Jude Cocodia,2017-09-27 This book offers a detailed examination of the effectiveness of the peacekeeping operations of the African Union Despite its growing reputation in peacekeeping and its status as the oldest continental peacekeeper the performance of the African Union AU has hitherto not been assessed This book fills that gap and analyses six case studies Burundi Comoros Somalia Mali Darfur and the Central African Republic From a methodological perspective it takes a problem solving approach and utilises process tracing in its analysis with its standard for success resting on achieving negative peace the cessation of violence and provision of security Theoretically this

study offers a comprehensive list of factors drawn from peace literature and field experience which influence the outcome of peacekeeping Beyond the major issues such as funding international collaboration and mandate this work also examines the impact of largely ignored factors such as force integrity and territory size The book modifies the claim of peace literature on what matters for success and advocates the indispensability of domestic elite cooperation local initiative and international political will It recognises the necessity of factors such as lead state and force integrity for certain peace operations In bringing these factors together this study expands the peacekeeping debate on what matters for stability in conflict areas This book will be of much interest to students of peacekeeping African politics war and conflict studies and International Relations in general

Pandemic Genres Neville Wallace Hoad, 2025 As HIV AIDS emerged as a public health crisis of significant proportions across much of sub Saharan Africa it became the subject of local and international interest prurient benevolent and interventionist Meanwhile the experience of Africans living with HIV AIDS became an object of aesthetic representation in multiple genres by Africans themselves These cultural representations engaged public discourse the public policy pronouncements of officials of postcolonial states an emerging global NGO speak and journalism In *Pandemic Genres* Neville Hoad investigates how cultural production novels poems films around the pandemic supplemented public discourse From Botswana Kenya and South Africa he shows that the long historical imaginaries of race empire and sex underwrote all attempts to bring the pandemic into public representation Attention to genres that stage themselves as imaginary particularly on the terrain of feeling may forecast possibilities for new figurations
