## **Guns For General Washington Chapter Summaries:**

**Summary of Washington's Immortals by Patrick K. O'Donnell: The Untold Story of an Elite Regiment Who Changed the Course of the Revolution** thomas francis, 2024-04-30 Washington's Immortals Washington's Immortals is a compelling historical narrative by Patrick K O Donnell which delves into the pivotal role of a lesser known regiment during the American Revolutionary War This book illuminates the valor struggles and significant contributions of the 1st Maryland Regiment who O Donnell describes as among the war's true heroes instrumental in the achievement of American independence

**Targeting Guns** Gary Kleck, 2017-07-05 This new paperback comprehensively reviews the research evidence on the links between guns violence and gun control and reports results of the author's own research as well In Targeting Guns Kleck follows the line of argument and careful statistical inference of his earlier prizewinning volume Point Blank while updating the literature reviews and statistical information and adding two chapters

**Summary of Locking Up Our Own - [Review Keypoints and Take-aways]** PenZen Summaries, 2022-11-28 The summary of Locking Up Our Own Crime and Punishment in Black America presented here include a short review of the book at the start followed by quick overview of main points and a list of important take aways at the end of the summary The Summary of The documentary Locking Up Our Own examines the impact that the United States war on drugs has had on African Americans in Washington District of Columbia It makes use of significant drug and gun legislation passed between the 1970s and the late 1990s which shaped policing methods and influenced the targeting of crime in Black communities This legislation was in effect from 1970 until the late 1990s Locking Up Our Own summary includes the key points and important takeaways from the book Locking Up Our Own by James Forman Jr Disclaimer 1 This summary is meant to preview and not to substitute the original book 2 We recommend for in depth study purchase the excellent original book 3 In this summary key points are rewritten and recreated and no part text is directly taken or copied from original book 4 If original author publisher wants us to remove this summary please contact us at support mocktime com

*Gunner's Mate (Guns) First Class* Ricardo M. Andres, 1990 Monthly Summary of the League of Nations League of Nations, 1929 *Stories in Time* ,1997 *America's Story* ,1997 **The Summary** ,1906 *Summary of Bruce Catton & James M. McPherson's American Heritage History of the Civil War* Everest Media, 2022-05-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 In 1860 the American people were the happiest and luckiest in the world They lived on farms or in small towns and they knew their children would do even better However they stood at the edge of immense change and problems left unsolved would soon make the change explosive 2 Slavery was not the only source of conflict between the North and the South The North and the South wanted different things from the Federal government and this became increasingly clear as the nation grew 3 There had been attempts to compromise the issue of slavery through the democratic process but none of them lasted The Missouri Compromise in 1820 allowed slavery to be permitted in new states north of the parallel that marked Missouri's southern

boundary but it did not end the debate The Compromise of 1850 created new territories without regard to the Wilmot Proviso  
4 The Kansas Nebraska Act raised the debate over slavery to a new intensity The moderates could no longer be heard and the stage was set for the extremists who invited violence with their violent words *The Machine Gun, History, Evolution, and Development of Manual, Automatic, and Airborne Repeating Weapons* Ordnance Bureau (Navy Department), 1955

*The Machine Gun* George M. Chinn, 1951 **The Machine Gun** George Morgan Chinn, 1951 The series of books entitled *The Machine Gun* was begun with the belief that the next best thing to actual knowledge is knowing where to find it The research summarized within the covers of these volumes has been compiled by the Bureau of Ordnance Department of the Navy in order to place in the hands of those rightfully interested in the art of automatic weapon design the world's recorded progress in this field of endeavor Vol II p v Firepower Matthew J. Lacombe, 2023-05-09 *Firepower* explores how the NRA gradually transformed itself from a relatively small organization with close ties to the federal government and a mission dedicated to marksmanship competitive shooting and military preparedness to what it is today A political juggernaut that pushes a right wing populist world view and enjoys a prominent position in the Republican Party coalition As Lacombe shows NRA members and supporters participate in politics at unusually high rates and have for decades successfully opposing gun regulations despite the shockingly high rates of gun violence in the U S relative to other countries and deep durable public support for stricter rules on gun ownership Understanding how and why this came to be can not only teach us about the evolution of one of the most influential interest groups operating today but can also shed light on how interest groups more generally can marshal the political behavior of their supporters over time in order to build and exercise power Most of the work done on interest group influence focuses on behind the scenes tactics such as lobbying and campaign support Yet this is not the source of the NRA's power Instead it is the group's ability to shape the political outlooks of its supporters on behalf of its agenda The NRA has done this by creating a gun owner culture and social identity that mobilizes individuals to engage in various forms of political participation and by linking gun rights to other political issues generating a broader political ideology Drawing on almost a century of archival data Lacombe illuminates the NRA's identity and ideology building efforts in fine grained historical detail ultimately showing how the group came to align with the Republican Party and considering the causes and consequences of the NRA's increasingly deep relationship with the GOP in the age of Donald Trump

**Armed** Gary Kleck, Don B. Kates, 2001-11 Hoping to disentangle myth from reality the authors summarize research on guns and violence in accessible nontechnical language Among the topics addressed are media bias in coverage of gun issues prohibitionist measures for reducing gun violence and a close analysis of the Second Amendment Guns, Crime, and Punishment in America Bernard E. Harcourt, 2003-07 *Guns Crime and Punishment in America* assembles a diverse group of the nation's leading authorities on guns and gun violence to present the most up to date research currently available Exploring such controversial issues as gun tracing initiatives the possible extension of the Brady Bill gun oriented policing

federal law enforcement initiatives such as Project Exile and civil litigation against gun manufacturers *Guns Crime and Punishment in America* embarks upon a more balanced and nuanced discussion about firearms Though the book's contributors operate from a wide variety of political perspectives and methodological approaches a central desire unifies the book to end the extreme polarization that currently characterizes the debate on guns and generate reasonable and practical gun policies in the United States Contributors Sara Sun Beale Anthony A Braga Carl Bogus Jenny Berrien Abigail Caplovitz Philip J Cook Garth Davies Christopher Eisgruber Jeffrey A Fagan Mark Geistfeld James B Jacobs Dan M Kahan David Kairys David B Kopel Sanford Levinson Jens Ludwig Daniel C Richman Jerome H Skolnick Richard Slotkin Chris Winship and Franklin E Zimring *Military Collector & Historian*, 1961 Through the Wheat Edwin Howard Simmons, Estate of Joseph H Alexander, 2011-09-15 U S Marine participation in World War I is known as a defining moment in the Marine Corps great history It is a story of exceptional heroism and significant operational achievements along with lessons learned the hard way The Marines entered World War I as a small force of seagoing light infantry that had rarely faced a well armed enemy On a single June day in their initial assault through the wheat on Belleau Wood against German machine guns and poison gas shells the Marines suffered more casualties than they had experienced in all their previous 142 years Yet at Belleau Wood Soissons BlancMont St Mihiel and the Meuse Argonne the Marines proved themselves to be hard nosed diehards with an affinity for close combat Nearly a century later Belleau Wood still resonates as a touchstone battle of the Corps Two retired Marines well known for their achievements both in uniform and with the pen have recorded this rich history in a way that only insiders can Brig Gen Edwin H Simmons and Col Joseph H Alexander recount events and colorful personalities in telling detail capturing the spirit that earned the 4th Marine Brigade three awards of the French Croix de Guerre and launched the first pioneering detachments of Flying Leathernecks Here hand to hand combat seen through the lenses of a gas mask is accompanied by thought provoking assessments of the war's impact on the Marine Corps The U.S. Navy's "Interim" LSM(R)s in World War II Ron MacKay, Jr., 2016-04-26 The Interim LSM R or Landing Ship Medium Rocket was a revolutionary development in rocket warfare in World War II and the U S Navy's first true rocket ship An entirely new class of commissioned warship and the forerunners of today's missile firing naval combatants these ships began as improvised conversions of conventional amphibious landing craft in South Carolina's Charleston Navy Yard during late 1944 They were rushed to the Pacific Theatre to support the U S Army and Marines with heavy rocket bombardments that devastated Japanese forces on Okinawa in 1945 Their primary mission was to deliver maximum firepower to enemy targets ashore Yet LSM R's also repulsed explosive Japanese speed boats rescued crippled warships recovered hundreds of survivors at sea and were deployed as antisubmarine hunter killers Casualties were staggering enemy gunfire blasted one while kamikaze attacks sank three crippled a fourth and grazed two more This book provides a comprehensive operational history of the Navy's 12 original Interim LSM R's Memorial of Henry Sanford Gansevoort John Chipman Hoadley, 1875 **Army and Navy**
