

6. Insert the carriage interconnect wiper into the printhead slot at the back. Wipe the electrical contacts by inserting the tool between the electrical connections at the back of the slot and the steel spring, with the sponge facing away from you and towards the electrical contacts. Try to avoid picking up any ink deposit that may have accumulated on the bottom surface of the slot.

 **CAUTION:** If the carriage remains in the central part of the printer for more than 7 minutes, it attempts to return to its home position to the right.

7. Rub the sponge against the contacts with a *light* force along the entire depth of the flex connector, inserting the wiper as far as allowed by the mechanical stop on the tool.

8. Take special care to clean all contacts thoroughly, including the ones at the lowest point of the connector.

PCMag.com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology The Complete Guide to the NEXTSTEP™ User Environment Michael B. Shebanek, 1993-09-17 This book is about the advanced object oriented NEXTSTEP™ user environment for NeXT and Intel based computers It is intended for those who already own a computer running NEXTSTEP and want to quickly learn what it can do and how to get the most out of it with the least effort It is also for those who are considering the purchase of NEXTSTEP but want to learn more about how it works before making an investment Why a book on NEXTSTEP When I set out to learn how to use NEXT STEP several years ago I found it extremely difficult to find information from the usual sources such as books magazines user groups and authorized dealers NEXTSTEP users were scarce and finding a computer store that sold NeXT related products was even more rare There were also only a handful of NeXT user groups in existence and those that did exist met so far away that joining one of them was impractical The manuals I received from NeXT were helpful but I had the feeling there must be something more to it than what was written in the User's Reference It didn't describe many of the shortcuts that experienced users had found or the public domain and shareware utilities that were popular and how I could use them to make my work even easier and more fun *InfoWorld*, 1988-02-08 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects **Computer Buyer's Guide and Handbook**, 2001 **Catalog of Copyright Entries, Third Series** Library of Congress. Copyright Office, 1977 Includes index *Byte*, 1987-10 **Complete Guide to Ultimate Digital Photo Quality** Derek Doeffinger, 2008 For photographers nothing is more important than superior image quality Thanks to advancing technology and this exciting new resource from long time professional Derek Doeffinger that is a goal any digital photographer can reach Doeffinger has created the only book on the market that fully explains how to obtain maximum image quality at every step In detail he discusses how to achieve the ultimate result by choosing the right equipment knowing the ideal camera settings for every situation and intelligently adjusting exposure focus focal length and shutter speed Find out how to get the most out of digital software color correct sharpen and resize or stitch numerous images together for maximum resolution There are even tips for ensuring that the printed picture matches the quality of the original *InfoWorld*, 1988-02-08 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects **PC Mag**, 1989-06-13 PCMag.com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology *X Window System User's Guide* Valerie Quercia, Tim O'Reilly, 1993 Orients the
