

The background of the entire image is a painting. It depicts a woman with long, dark hair lying in a boat at night. She is wearing a light-colored, possibly white, dress. Her head is tilted back, and her eyes are closed. The boat is dark, and the water is a deep blue. In the background, there are several classical buildings with columns and domes, illuminated by a soft, blue light. The overall mood is dreamlike and serene.

Journey By Moonlight Antal Szerb:

Journey by Moonlight Antal Szerb, 2024-04-30 An early twentieth century classic the turbulent dreamlike story of a businessman torn between middle class respectability and sensational bohemia No one who has read it has failed to love it Nicholas Lezard Mih ly and Erzsi are on honeymoon in Italy Mih ly has recently joined the respectable family firm in Budapest but as his gaze passes over the mysterious back alleys of Venice memories of his bohemian past reawaken his old desire to wander When bride and groom become separated at a provincial train station Mih ly embarks on a chaotic and bizarre journey that leads him finally to Rome where he must reckon with both his past and his future In this intoxicating and satirical masterpiece Szerb takes us deep into the conflicting desires of marriage and shows how adulthood can reverberate endlessly with the ache of youth

Traveler and the Moonlight ,2016-02-12 Special 70th Anniversary American Edition A new translation by writer and poet Peter Hargitai Writer and poet Peter Hargitai working on an English translation of Utas s holdvilg Traveler and the Moonlight in 1988 met with Szerbs widow Klra curious to know whether there had been real life models for the novels characters particularly for Tams and va who intrigued him above all the others In answer Klra Szerb pointed out a framed photograph on a bookshelf a youngish man with a pale aristocratic melancholy face This is Tams Mrs Szerb said My husbands beloved schoolmate And va Who is va I asked She held up that very picture This is also va Tams and va are one and the same Klra Szerb went on to insist that Hargitai keep the secret of Tams and vas single biographical precedent until after her death And there we have a clue not only to the mysterious androgyny of Tams and va and to the sexually unconventional nature of Mihlys relationship with them but also perhaps to an unresolved chapter from Szerbs past one that held mysteries potent enough to give rise to a novel Julie Orringer Author of The Invisible Bridge I hope The Traveler reaches thousands and thousands of readers Elie Wiesel Distinguished Nobel Laureate

A Life Italo Svevo, 2018-07-17 A Life is the gruelling tale of the frustrated existence of a bank clerk with a poetic soul The artistic aspirations of the protagonist and the emptiness of his daily life become tragic in the great divide between what he wants and what he actually has and gets Alfonso the bank clerk wants to be a poet and seems to be falling in love with Annetta the vain and arrogant daughter of his boss But the emptiness of both his attempts at writing and at love lead to an ironic and painful conclusion

Illusion of Paradise Norman Simms, 2017-03-07 The focus of this volume is on essential themes images and generic patterns beginning with a Talmudic legend about four scholars They by means of daring mystical interpretations of Scripture entered a Paradise representing different means of imaginative reading perception memory and application of the law One of them died one went mad another became a heretic and the other came back as a traditional exegete and teacher Based on that legend this book examines a small group of late 19th and early 20th century European Jewish intellectuals and artists in the light of their dreams writings and moments of crisis These men and women comedians in both the sense of stage actors and clowns or witty performers believed they had entered a new secular and tolerant society but discovered that there was no escape from their Jewish heritage and way of seeing the world This monograph looks into the imperfect mirror of cultural experience discovers a hazy world of illusions dreams and nightmares on the other side of the looking glass and sometimes constructs a midrashic conceit of the comical and grotesque screen between them **Moon** Bernd Brunner, 2010-11-18

Using werewolves and Wernher von Braun Stonehenge and the sex lives of sea corals aboriginal myths and an Anglican bishop in this new book the author weaves variegated information into a glimpse of Earth's closest celestial neighbor whose mere presence inspires us to wonder what might be out there Going beyond the discoveries of contemporary science he presents a cultural assessment of our complex relationship with Earth's lifeless rocky satellite As well as offering an engaging perspective on such age old questions as What would Earth be like without the moon he surveys the moon's mythical and religious significance and provokes existential soul searching through a lunar lens inquiring Forty years ago the first man put his footprint on the moon Will we continue to use it as the screen onto which we cast our hopes and fears Drawing on materials from different cultures and epochs he walks readers down a moonlit path illuminated by more than seventy five vintage photographs and illustrations From scientific discussions of the moon's origins and its chronobiological effects on the mating and feeding habits of animals to an illuminating interpretation of Bishop Francis Godwin's 1638 novel *The Man in the Moone* his interdisciplinary explorations recast a familiar object in an original light **Memories of Low**

Tide Chantal Thomas, 2020-12-08 A memoir of childhood the mother daughter bond and the transformative power of swimming by multi award winning French author Chantal Thomas Chantal Thomas grew up in a seaside town on the Atlantic coast of France inheriting from her mother an obsession with the sea and for swimming In this tender and eloquent memoir she seeks to understand her quixotic often inscrutable mother a woman who was luminous in the water and once dived into the moat of the Palace of Versailles but became fettered by marriage and domestic life Thomas combs the beaches of her childhood for memories recalling the sensory pleasures of the sands the first sharp touch of cold water and discovering the multitude of ways in which she is still her mother's daughter *The Evenings* Gerard Reve, 2017-01-31 THE FIRST ENGLISH TRANSLATION OF A POSTWAR MASTERPIECE I work in an office I take cards out of a file Once I have taken them out I put them back in again That is it Twenty three year old Frits office worker daydreamer teller of inappropriate
