Read and answer the comprehension questions.

BACKGROUND

Natalie had been writing for a long time when her mother, Hannah, told her that publishers were eager to see more “school stories,” novels set in schools with students as characters. Natalie thought that since she spent so much of her time in school, she could probably write a school story pretty easily. Zoe is excited about the novel; she thinks the parts she has read are terrific and cannot wait to read the rest when Natalie writes it.

Natalie is very smart and has been reading and writing at a high level for a long time. Her parents still read to her every night—it was one of her favorite moments each day—until her father died in a car accident, and Natalie began hiding her favorite books because hearing her mother read them without her father made her too sad.

Zoe encourages Natalie to publish her book, *The Cheater*. At first, Zoe suggests that Natalie’s mother should help, but Natalie doesn’t want to publish the book because of that. She decides to try to publish it under a pseudonym, Cassandra Day. Zoe comes up with a daring plan.

What was the plan she proposed to Natalie?

Journeys The School Story:

The School Story David Aitchison, 2022-02-04 The School Story Young Adult Narratives in the Age of Neoliberalism examines the work of contemporary writers filmmakers and critics who reflecting on the realm of school experience help to shape dominant ideas of school The creations discussed are mostly stories for children and young adults David Aitchison looks at serious novels for teens including Laurie R. King's *Speak* and Faiza Guane's *Kiffe Kiffe Tomorrow* the light hearted middle grade fiction of Andrew Clements and Tommy Greenwald and Malala Yousafzai's autobiography for young readers *I Am Malala* He also responds to stories that take young people as their primary subjects in such novels as Sapphire's *Push* and films including *Battle Royale* and *Cooties* Though ranging widely in their accounts of young life such stories betray a mounting sense of crisis in education around the world especially in terms of equity the extent to which students from diverse backgrounds have fair chances of receiving quality education and empowerment the extent to which diverse students are encouraged to gain strength confidence and selfhood as learners Drawing particular attention to the influence of neoliberal initiatives on school experience this book considers what it means when learning and success are measured more and more by entrepreneurship competitive individualism and marketplace gains Attentive to the ways in which power structures institutional routines school spaces and social relations operate in the contemporary school story The School Story offers provocative insights into a genre that speaks profoundly to the increasingly precarious position of education in the twenty first century

The School Story Andrew Clements, 2002-08 Twelve year old Natalie has written a story her best friend says is good enough to publish But how can two sixth graders conquer the tough world of children's publishing Illustrations

E. Bell, 2014-01-02 The new essays in this book make two central claims First for some people the word feminist has been either poorly defined or even demonized Hermione Granger of the Harry Potter series serves as an outstanding example of what modern young feminism looks like activist powerful and full of agency yet feminine romantic and stylish a new kind of feminism for a new kind of girl The second claim the essays make is that our young emergent feminist Hermione Granger is a pivotal character upon whom the entire series rests not Harry Potter himself or at least not Harry Potter solely It is Hermione

who solves every difficult puzzle performs every difficult spell and to whom her two male companions look for guidance and advice On several occasions throughout the series Hermione literally saves the world through her actions This is an outstanding model for young women and for young men as well who are confused about how feminism manifests and operates in 2012
