The Supreme Court of Ghana Law Reports, 2015, *Civil Jurisdiction and Judgments* Adrian Briggs, 2025-09-30 Now in its 8th edition this well established and respected book by Adrian Briggs continues to deliver a full and complete statement of English law on civil jurisdiction and judgments. As the United Kingdom will now not be re-joining the Lugano Convention the treatment of

judgments from EU Member States and the Lugano States has been reduced and the jurisdictional rules of Brussels Lugano regime are now dealt with only in outline This 8th edition untangles and re ties the loose ends left over from the process of disengagement from the European Union and restates the law of jurisdiction and judgments as it must be understood today Significant new material includes an expanded treatment of the increased opportunities for service out of the jurisdiction with and without permission and of the 2019 Hague Judgments Convention in effect for the United Kingdom from 1 July 2025 Otherwise recent developments of which there have been many across the field of jurisdiction and judgments in civil and commercial matters are examined in proper detail This rigorously updated new edition reasserts its position as an authoritative and comprehensive reference for all lawyers and legal practitioners working in the broad area of commercial litigation

Proportionality and Facts in Constitutional Adjudication Anne Carter, 2022-01-27 This book considers the relationship between proportionality and facts in constitutional adjudication Analysing where facts arise within each of the three stages of the structured proportionality test suitability necessity and balancing it considers the nature of these facts vis vis the facts that arise in the course of ordinary litigation The book s central focus is on how proportionality has been applied by courts in practice and it draws on the comparative experience of four jurisdictions across a range of legal systems The central case study of the book is Australia where the embryonic and contested nature of proportionality means it provides an illuminating study of how facts can inform the framing of constitutional tests The rich proportionality jurisprudence from Germany Canada and South Africa is used to contextualise the approach of the High Court of Australia and to identify future directions for proportionality in Australia at a time when the doctrine is in its formative stages The book has three broad aims First it considers the role of facts within proportionality reasoning Second it offers procedural insights into fact finding in constitutional litigation Third the book s analysis of the dynamic Australian case law on proportionality means it also serves to clarify the nature and status of proportionality in Australia at a critical moment Since the 2015 decision of *McCloy v New South Wales* where four justices supported the introduction of a structured three part test of proportionality the Court has continued to disagree about the utility of such a test These developments mean that this book with its doctrinal and comparative approach is particularly timely
