La bataille des Ardennes Michel Hérubel,1979 **La bataille des Ardennes** Michel Hérubel,2002 **The Unknown Dead** Peter Schrijvers,2005-04-08 Traditional histories of the hard fought Battle of the Bulge routinely include detailed lists of the casualties suffered by American British and German troops Conspicuously lacking in most accounts however are references to the civilians in Belgium and Luxembourg who lost their lives in the same battle Yet the most reliable current estimates calculate at approximately three thousand the number of civilians who perished during the six weeks of fighting Telling the stories of ordinary people caught up in the maelstrom of war The Unknown Dead surveys this crucial battle and its consequences from an entirely new perspective Renowned historian Peter Schrijvers a native Belgian describes in vivid detail the horrific war crimes committed by German military units on the front lines and by Nazi security services behind the battle lines as well as the devastating effects of Allied responses to the enemy threat including massive bombings of small towns During the offensive inhabitants of the villages of this region of Belgium lived in a state of chaos Countless men women and children were killed in cold blood for aiding American soldiers and the GIs themselves were often highly suspicious of German speaking Belgians Local services ground to a halt and citizens formed volunteer groups to obtain water and meet other basic needs Even after the violence had ended and the postwar reconstruction had begun the small communities remained in turmoil The countryside was dotted with abandoned land mines and explosives and the emotional tension between civilians and battle hardened veterans often took years to dissipate Based on recently discovered sources including numerous personal testimonies municipal and parish records and findings of the Belgian War Crimes Commission The Unknown Dead vividly recounts the experiences of innocents in the violence of one of World War II s seminal battles War from the Top Alan F. Road to Freedom William I. Hitchcock,2008-10-21 Reading Group Guide forThe Bitter Road to Freedomby William I Hitchcock1 The story of the liberation of Europe has been told many times What new and surprising things did you learn from this book that you didn t know before 2 The book makes use of so many primary sources letters diaries old records and as a result we hear many voices Did these first hand accounts change the way you previously perceived the liberation of Europe Why or why not 3 Americans remember the end of WWII as a time of triumph and universal celebration in Europe when the occupied countries were finally freed from Hitler s tyranny What was life really like for Europeans during and after the Liberation Why do you think Americans remember the Liberation so differently from Europeans 4 The book discusses the violence and suffering that occur to the civilian population in even the most just of wars Do you think what happened in Europe after the war has present day applications especially regarding the war in Iraq and our escalating campaign in

Afghanistan 5 Some might see this book as disparaging to the accomplishments of The Greatest Generation How do you think veterans of WWII will react to this book 6 Americans were surprised to find that they got along well with the Germans upon entering their country In what ways does Eisenhower's failed ban on American soldiers fraternizing with German civilians illustrate the differences between political ideology and basic human experience How might these differences still be true today 7 Were you surprised to find that survivors of the Holocaust faced such difficulties in the immediate aftermath of their liberation How might that treatment influence their view of the end of the war 8 Why do you think the large scale relief effort that America led in Europe through many charitable organizations and volunteer groups is not better known in the United States Should historians write as much about the humanitarian side of war as they do about battle field history **La**
