 - Lighting
 - Plant installation
5. **Maintenance and Repair (10%)**
 - Landscape maintenance
 - Landscape repair
6. **Safety (10%)**
 - Employee safety
 - Job site safety

Percentages are approximate

Test Site Policy

This is a closed-book examination. No reference materials may be used during the examination. All materials brought to the examination site must be left in an unmonitored area at your own risk.

Test Strategy

This is a multiple-choice examination with four choices per question. Examination questions are written to provide only one BEST answer. Some questions require mathematical computation. A calculator will be provided.

There is no penalty for guessing. If you are unsure about a particular question, it is better to try to answer the question than to leave the question blank.

Plenty of time is provided to answer all examination questions, so be sure to read each question and its four choices completely and carefully before selecting the BEST possible answer to the question.

Sample Questions

Below are three typical examination questions. The correct answer is indicated.

5. If the maximum flow for a 1/2" valve is 10 gpm on a level area, what is the MAXIMUM flow if there is a 15' elevation drop in the same system?
 - a. 10 gpm
 - b. 14 gpm
 - c. 12 gpm
 - d. 22 gpm

Landscape Study Guide Ohio:

Course Manual and Study Guide - La 203 - Department of Landscape Architecture, Ohio State University Ohio State University. Department of Landscape Architecture,1976 Vocational Education : State Instructional Materials: Agriculture Oklahoma. State Department of Vocational and Technical Education. Curriculum and Instructional Materials Center,1974 A Guide to Cultural Landscape Reports Robert R. Page,Cathy Gilbert,Susan Dolan,1998 **Resources in Education** ,2001 *Soil Landscape Analysis* Francis Doan Hole,James B. Campbell,1985 All forms of plant animal and human life are supported by soil and there has been a recent need for a fully documented analysis of terrain that draws on many available sources in this country and abroad This illustrated text has answered that need Going beyond soil morphology and classification to provide an interpretation of the patterns of soil bodies and the distribution of plant and animal communities on land the authors have provided an ideal introduction for students of the landscape *Hopewell Ceremonial Landscapes of Ohio* Mark Lynott,2015-02-05 Nearly 2000 years ago people living in the river valleys of southern Ohio built earthen monuments on a scale that is unmatched in the archaeological record for small scale societies The period from c 200 BC to c AD 500 Early to Middle Woodland witnessed the construction of mounds earthen walls ditches borrow pits and other earthen and stone features covering dozen of hectares at many sites and hundreds of hectares at some The development of the vast Hopewell Culture geometric earthwork complexes such as those at Mound City Chillicothe Hopewell and the Newark earthworks was accompanied by the establishment of wide ranging cultural contacts reflected in the movement of exotic and strikingly beautiful artefacts such as elaborate tobacco pipes obsidian and chert arrowheads copper axes and regalia animal figurines and delicately carved sheets of mica These phenomena coupled with complex burial rituals indicate the emergence of a political economy based on a powerful ideology of individual power and prestige and the creation of a vast cultural landscape within which the monument complexes were central to a ritual cycle encompassing a substantial geographical area The labour needed to build these vast cultural landscapes exceeds population estimates for the region and suggests that people from near and possibly far travelled to the Scioto and other river valleys to help with construction of these monumental earthen complexes Here Mark Lynott draws on more than a decade of research and extensive new datasets to re examine the spectacular and massive scale Ohio Hopewell landscapes and to explore the society that created them *Urban & Community Forestry* Craig William Johnson,1990 **Research in Education** ,1968 **A Study Guide for Utah commercial and noncommercial Category 3: Ornamental and Turf Application Exam** ,2025-02-24 A Study Guide for Utah commercial and noncommercial Category 3 Ornamental and Turf Application Exam *Landscape Architecture News Digest* ,1986 **Research in Education** ,1968 Special Report - Highway Research Board National Research Council (U.S.). Highway Research Board,1955 **Hearings, Reports, Public Laws** United States. Congress. House. Committee on Education and Labor,1967 **Soil Survey** ,1982 **Independence Hall in American Memory** Charlene

Mires,2015-11-04 Independence Hall is a place Americans think they know well Within its walls the Continental Congress declared independence in 1776 and in 1787 the Founding Fathers drafted the U S Constitution there Painstakingly restored to evoke these momentous events the building appears to have passed through time unscathed from the heady days of the American Revolution to today But Independence Hall is more than a symbol of the young nation Beyond this according to Charlene Mires it has a long and varied history of changing uses in an urban environment almost all of which have been forgotten In Independence Hall Mires rediscovers and chronicles the lost history of Independence Hall in the process exploring the shifting perceptions of this most important building in America s popular imagination According to Mires the significance of Independence Hall cannot be fully appreciated without assessing the full range of political cultural and social history that has swirled about it for nearly three centuries During its existence it has functioned as a civic and cultural center a political arena and courtroom and a magnet for public celebrations and demonstrations Artists such as Thomas Sully frequented Independence Square when Philadelphia served as the nation s capital during the 1790s and portraitist Charles Willson Peale merged the arts sciences and public interest when he transformed a portion of the hall into a center for natural science in 1802 In the 1850s hearings for accused fugitive slaves who faced the loss of freedom were held ironically in this famous birthplace of American independence Over the years Philadelphians have used the old state house and its public square in a multitude of ways that have transformed it into an arena of conflict labor grievances have echoed regularly in Independence Square since the 1830s while civil rights protesters exercised their right to free speech in the turbulent 1960s As much as the Founding Fathers these people and events illuminate the building s significance as a cultural symbol

Monthly Catalogue, United States Public Documents ,1987 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1962 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June Hearings, Reports and Prints of the House Committee on Education and Labor United States. Congress. House. Committee on Education and Labor,1969 **Hearings, Reports and Prints of the Senate Committee on Labor and Public Welfare** United States. Congress. Senate. Committee on Labor and Public Welfare,1970 The Living Landscape, Second Edition Frederick R. Steiner,2012-09-26 The Living Landscape is a manifesto resource and textbook for architects landscape architects environmental planners students and others involved in creating human communities Since its first edition published in 1990 it has taught its readers how to develop new built environments while conserving natural resources No other book presents such a comprehensive approach to planning that is rooted in ecology and design And no other book offers a similar step by step method for planning with an emphasis on sustainable development This second edition of The Living Landscape offers Frederick Steiner s design oriented ecological methods to a new generation of students and professionals The Living Landscape offers a systematic highly practical approach to landscape planning that maximizes ecological objectives community service and citizen participation more than 20 challenging case

studies that demonstrate how problems were met and overcome from rural America to large cities scores of checklists and step by step guides hands on help with practical zoning land use and regulatory issues coverage of major advances in GIS technology and global sustainability standards more than 150 illustrations As Steiner emphasizes throughout this book all of us have a responsibility to the Earth and to our fellow residents on this planet to plan with vision We are merely visiting this planet he notes we should leave good impressions
