Lange Du Male:

Concordance to the French Poetry and Prose of John Gower R. F. Yeager, Mark West, Robin L. Hinson, 2012-01-01 That the poet John Gower was a major literary figure in England at the close of the fourteenth century is no longer in question Scholarly attention paid to him and to his work over the past twenty five years has redeemed him from an undeserved obscurity imposed by the preceding two hundred The facts of his life and career are now documented and recent critical assessment has placed his achievement most accurately alongside Chaucer s Langland s and the Gawain poet s Unique among his contemporaries all of whom undoubtedly read and used French in some measure Gower alone has left us a significant body of verse and prose in Anglo Norman chiefly the twelve stanza poem *Mirour de l Omme* the *Cinkante Balades* and the *Traiti pour les amantz marietz* We are offered in this concordance of his Anglo Norman work a unique opportunity to view a poetic language as it was written and read in England until Gower s death in 1408 and beyond **Atlas of Mental**

Mads Johansen Lange 1807 1856 was the most influential person that made Bali prosper during the mid 19th century In order to receive favorable treatment and procure lucrative trade deals he presented the kings of Bali with luxury goods His philosophy was to unite and share rather than divide and conquer so he treated all his relationships equally within the social political system of the time Lange strived to have peace maintained in Bali for his business to succeed and for the welfare of the inhabitants The prosperity is evident in the luxury goods that he presented to his contacts from valuable daggers with gold and precious gems to elaborate temple sculptures to fancy carved cabinets Lange branded these gifts with his name many with an image of his face or important scenes from his life Portrait figures done in an unusual and animated style illustrate important events from befriending royalty to playful interactions with his wives to negotiating peace treaties between the Balinese and the Dutch Those who are closely or remotely familiar with Lange s role in Balinese history will be fascinated by these artifacts as they increase the interest and understanding of him as a human being These gifts remained hidden in palaces temples and caves across the island for nearly 200 years This unique collection was made possible through the untiring efforts of a fellow Dane Peter Bloch
