**A Comprehensive, Annotated Bibliography on Mahatma Gandhi** Ananda M. Pandiri, 1995-10-24 The first of three volumes this comprehensive bibliography of more than 2 200 entries includes all English language biographies of Gandhi writings by Gandhi and bibliographic sources A unique aspect of the work is a section on books read by Gandhi a useful list for those seeking insight on Gandhi Pandiri has carefully examined the titles included and unlike many earlier bibliographers

he has annotated all of Gandhi's voluminous writings. He also provides in depth descriptive and evaluative annotations for the other works noting content scope authority use and historical significance. A vital reference tool for scholars and researchers this volume is the first comprehensive Gandhian bibliography since 1974. In addition to in depth annotations the entries include full bibliographic information. Many of the entries also include review notes of the work. Full indexes make the material easily accessible. Forthcoming volumes will include books on Gandhian topics and articles about Gandhi and Gandhian topics.

**The American and English Annotated Cases**, 1913 **The Bayeux Tapestry** John F. Szabo, Nicholas E. Kuefler, 2015-06-18 Commanding its own museum and over 200 years of examination observation and scholarship the monumental embroidery known popularly as the Bayeux Tapestry and documenting William the Conqueror's invasion of England in October 1066 is perhaps the most important surviving artifact of the Middle Ages. This magnificent textile both celebrated and panned is both enigmatic artwork and confounding historical record. With over 1780 entries Szabo and Kuefler offer the largest and most heavily annotated bibliography on the Tapestry ever written. Notably the Bayeux Tapestry has produced some of the most compelling questions of the medieval period. Who commissioned it and for what purpose? What was the intended venue for its display? Who was the designer and who executed the enormous task of its manufacture? How does it inform our understanding of eleventh century life? And who was the mysterious Aelfgyva depicted in the Tapestry's main register? This book is an effort to capture and describe the scholarship that attempts to answer these questions. But the bibliography also reflects the popularity of the Tapestry in literature covering a surprisingly broad array of subjects. The inclusion of this material will assist future scholars who may study references to the work in contemporary non fiction and popular works as well as use of the Bayeux Tapestry as a primary and secondary source in the classroom. The monographs articles and other works cited in this bibliography reflect dozens of research areas. Major themes are the Tapestry as a source of information for eleventh century material culture its role in telling the story of the Battle of Hastings and events leading up to the invasion patronage of the Tapestry biographical detail on known historical figures in the Tapestry arms and armor medieval warfare strategy and techniques opus anglicanum the Anglo Saxon needlework tradition preservation and display of the artifact the Tapestry's place in medieval art the embroidery's depiction of medieval and Romanesque architecture and the life of the Bayeux Tapestry itself.
