

The background of the cover is a photograph of the Golden Gate Bridge. The bridge's red-painted steel structure, including a tower and suspension cables, is prominent against a clear blue sky. The bridge deck and its supporting truss are visible in the foreground, extending from the left towards the center. In the distance, the bridge continues across the water towards the right. The water is a dark blue-grey color, and the hills in the background are covered in green vegetation.

MECHANICS OF MATERIALS
