The Decisive Network Nadya Bair, 2020 Since its founding in 1947 the legendary Magnum Photos agency has been telling its own story Its photographers were concerned witnesses to history and artists on the hunt for decisive moments their pictures were humanist documents of the postwar world Based in unprecedented archival research The Decisive Network peels back layers of the Magnum mythology to offer a new history of what it meant to shoot edit and sell news images after World War II Between the 1940s and 1960s Magnum expanded the human interest story about the everyday life of ordinary people to global dimensions while bringing the aesthetic of news pictures into new markets Its best known work started as humanitarian aid promotion travel campaigns corporate publicity and advertising Working with this range of clients Magnum made photojournalism integral to visual culture Yet Magnum's photographers could not have done this alone This book unpacks the collaborative nature of photojournalism as it transpired on a daily basis focusing on how picture editors sales agents spouses and publishers helped Magnum photographers succeed in their assignments and achieve fame The Decisive Network concludes in the late 1960s and early 1970s when amidst the decline of magazine publishing and the rise of an art market for photography Magnum turned to photo books and exhibitions to manage its growing picture archives and consolidate its brand In that moment Magnum's photojournalists became artists and their assignments turned into oeuvres Such ideas were necessary publicity and they also managed to shape discussions about photography for decades Bridging art history media studies cultural history and the history of communication this book transforms our understanding of the photographic profession and the global circulation of images in the pre digital world *Elliott Erwitt's New York ; Elliott Erwitt's Paris* Elliott Erwitt, 2015 Who better to capture daily life in two of the world's greatest cities than master

Elliott Erwitt's Paris Elliott Erwitt, 2010 Yes we'll always have Paris and who better to capture all its moods than the inimitable Elliott Erwitt With a keen eye for the real city Erwitt sees beyond the tourist clichés Whether the mightiest of monuments or the charm of la vie quotidienne this master photographer chronicles it all Alternating intimate details with grand vistas Erwitt captures the true flavor of la metropole Born in Paris in 1928 Elliott Erwitt arrived in the U S in the late 1930s Establishing himself in the 40s and 50s as a leading magazine photographer he joined the prestigious Magnum agency in 1953 In addition to his work in magazines he achieved great success as an advertising photographer and filmmaker He currently lives in New York City but spends a great deal of time in Paris At the Beach Jean-Didier Urbain, 2003 Around the world when people think of vacation it's the beach they want even when long distances must be traversed the seashore is the place to escape the rigors of modern life How did this come to be and what does our ongoing love affair with the beach mean How do shore vacations differ from traditional tourism and what does this tell us about our fears and dreams In At the Beach Jean-Didier Urbain offers witty and insightful answers to these questions Urbain traces the transformation of the beach from a place of mythological threats and a demanding workplace fraught with danger to a destination for medical treatment and the pursuit of pleasure He looks to the emergence of the modern vacation in the nineteenth century examines representations of beachgoing in literature and the arts and shows the transgressive side of beach culture from nudism to hedonism to various scandals about costume behavior and sexuality that make the beach the site of social spectacle as well as leisure Urbain's ultimate focus is the paradoxical enterprise of the residential seaside vacationer who travels in order to stay in one place and who leaves the everyday world behind to reconstruct an idealized version of it at the shore He argues that unlike tourists who move from place to place beach vacationers are not seeking to explore nature to discover other cultures or even to get away from it all rather they are attempting to re-create their own identities through a simplified community they can no longer find elsewhere Blending history with social observation Urbain presents an original incisive and entertaining account of this enduring ritual of escape and recreation Contemporary Photographers, 1982 Jewish Artists John Castagno, 2010-08-16 John Castagno's Artists Signatures and Monograms have become the standard reference source for galleries museums libraries and collectors around the world Whether used to identify authenticate or verify signatures and works of both well-known and little-known artists Castagno's work has no equal In this new volume Castagno has collected more than 1,100 signatures and monograms of Jewish artists as well as signatures of artists whose work reflects Jewish themes In addition to the standard signature entries found in Castagno's other books this volume features additional biographical information providing a more complete profile of the artist and his or her work All artists are listed

with the most updated information on nationality birth and or death dates The entries direct the researcher to many biographical and bibliographical sources not found on web site searches and many of the resources offer additional references Several individual listings provide gallery referrals and catalog auction dates which can be used to buy or sell a particular artist s work The use of Jewish Artists Signatures and Monograms provides the researcher a reference tool not duplicated elsewhere one that will save many hours of research

American Photo ,1992-03 **Postcards from Absurdistan** Derek Sayer, 2022-11-01 A sweeping history of a twentieth century Prague torn between fascism communism and democracy with lessons for a world again threatened by dictatorship Postcards from Absurdistan is a cultural history of Prague from 1938 when the Nazis destroyed Czechoslovakia s artistically vibrant liberal democracy to 1989 when the country s socialist regime collapsed after more than four decades of communist party rule Derek Sayer shows that Prague s twentieth century far from being a story of inexorable progress toward some end of history whether fascist communist or democratic was a tragicomedy of recurring nightmares played out in a land Czech dissidents dubbed Absurdistan Situated in the eye of the storms that shaped the modern world Prague holds up an unsettling mirror to the absurdities and dangers of our own times In a brilliant narrative Sayer weaves a vivid montage of the lives of individual Praguers poets and politicians architects and athletes journalists and filmmakers artists musicians and comedians caught up in the crosscurrents of the turbulent half century following the Nazi invasion This is the territory of the ideologist

the collaborator the informer the apparatchik the dissident the outsider the torturer and the refugee not to mention the innocent bystander who is always looking the other way and Vclav Havel's greengrocer whose knowing complicity allows the show to go on Over and over Prague exposes modernity's dreamworlds of progress as confections of kitsch In a time when democracy is once again under global assault Postcards from Absurdistan is an unforgettable portrait of a city that illuminates the predicaments of the modern world **National Geographic Live, Laugh, Celebrate** Ferdinand Protzman, 2009 This lavish and generous collection of photographs and accompanying essays showcases 150 full color images some new and never before published others culled from National Geographic's archive of classic often pioneering photography
