

A pair of dark-rimmed glasses and a fountain pen are resting on a page of handwritten cursive text. The glasses are positioned diagonally across the upper half of the frame, with their temples extending towards the right. The fountain pen, which has a dark barrel and gold-colored accents, lies horizontally below the glasses. The background is a page of dense, flowing cursive handwriting in dark ink on lined paper. The lighting is soft, highlighting the textures of the paper and the frames of the glasses.

Making Stained Glass Mosaics Robin M. N. Jones, 2023-04-01 Stained glass made easy It doesn't take solder or a dedicated studio to start making gorgeous glass works You can create items such as small votive holders and vases on up to windows tables and more with just a few easy to find tools and materials From tiny opaque tiles to larger pieces of transparent glass there is so much beauty to be found in all sorts of glass pieces Even broken glass items can be repurposed once you know how You'll soon be finding ways to incorporate glass into tray designs jewelry garden mosaics and other decorative and useful items Robin M N Jones teaches glass work as part of her art therapy practice with teenagers and adults and breaks the processes down step by step to teach you how to choose your glass snip it into useful shapes place your pieces into a pleasing design and finish it with common glues and grouts She shares what she's learned in her own art to save you from making similar mistakes And she has found the benefits for herself and others in the meditative focus of creating with glass pieces Sorting cutting and placing glass is both a mental and tactile experience that calms and focuses the mind Try out the many types of projects in this book to learn the basics and then you'll be ready to use glass in as many interesting designs as you can imagine

Free Speech and Intellectual Diversity in Higher Education

Paul Carrese, Carol McNamara, James Stoner, 2023-06-19 The essays in *Free Speech and Intellectual Diversity in Higher Education* reflect diverse perspectives on one of the most pressing issues in higher education the controversies over freedom of speech and its relation to intellectual diversity Does the First Amendment apply on campuses and do its principles clarify or obscure the issues surrounding campus speech What after all is the basis for those principles and how do they relate to the purposes of the university Is free speech truly effective without a diversity of perspectives and to what extent is such diversity found at universities today Does free speech discourage the inclusion of minorities or previously excluded groups Are there specific policies that can address the issue of free speech on campuses today in ways that are fair to all parties and to the interests at stake
