Find Owners Manual:

Website Owner's Manual Paul A. Boag, 2009-10-31 Many of the people responsible for a website don't have a clue what's required to build one and keep it up and running. The job of planning, launching and managing a site often falls to people who have little or no experience in web design or development. Website Owner's Manual is for the thousands of marketers, IT managers, project leaders and business owners who need to put a website in place and keep it running with a minimum of trouble. Using clever illustrations, easy to follow lists and diagrams and other friendly touches, Website Owner's Manual helps readers form a vision for a site, guide them through the process of selecting a web design agency and gives just enough background to help them make intelligent decisions throughout the development process. This book provides a jargon-free overview of web design including accessibility, usability, online marketing and web development techniques. Using Website Owner's Manual, readers master the vocabulary and concepts they need to discuss how a website dovetails with the needs of a business. This book will help them work confidently with the designers and developers building and maintaining a site so they can concentrate on what your website needs to do. Purchase of the print book comes with an offer of a free PDF, ePub and Kindle eBook from Manning. Also available is all code from the book. Having this inspiring book with you as you go through life's journey will help smooth out the bumps in the road you encounter, turning the peaks and valleys you may experience now into gentle rolling hills. You can live a kinder and gentler life and this kind and meaningful book shows you how. **Owner's Manual (Homo Sapiens)** Frank Losik, 2015-09-08 Unfortunately, we human beings do not come with a ready-made Owner's Manual to guide us through our individual life journeys. So we are left with the task of finding or creating one of our own. This book is the result of the author's own personal search for just such a set of guidelines. He offers it to you, the reader, as a possible starting point for your own personal search. Owner's Manual: Homo Sapiens is a step-by-step guide designed to help the serious traveler on the journey of life to identify his or her life goals, to create a plan for achieving them and to begin

putting those plans into effect It is written in plain every day language and is broken down into bite sized easy to digest chapters The book is divided into a number of segments It begins with The Basics which suggests an overall life goal of personal happiness and provides a review of the underlying principles of human development Next comes three segments that help the reader to begin to find the answers to three important questions Who am I which uses a brief quiz game to identify the readers personality type What do I want which uses a short fill in the blanks worksheet to clarify values and How can I get it which provides a detailed blueprint to aid personal development
