*A Day Apart* Christopher D Ringwald, 2008-11-20 In today's frantic 24/7 world the Sabbath a day devoted to rest and contemplation has never been more necessary A Day Apart offers a portrait of a truly timeless way to escape the everyday world and add meaning to our lives Finding Faith Nick Baines, 2014-08-05 We live in a fast paced noisy world that seems to get more and more complex and uncertain with every passing year It's hard to hear your inner voice and to stop and reflect on what life is all about Where do we find our anchor This book explores what being a Christian really means

Finding Faith Brian D. McLaren, 2000-06-27 Is there a God What might God be like What is the relationship between faith and certainty Can intelligent people believe in spiritual realities Why are there so many religions

Is it possible to experience a relationship with God and if so how If you've asked questions like these you're in good company From songwriters such as Bob Dylan and Jewel Kilcher to TV shows such as The X Files and Touched by an Angel the media and the arts reflect postmodern men and women's search for a living faith and a spiritually oriented life Real faith isn't blind believism It is a process that engages your intellect as well as your emotions If you think faith requires turning your back on truth and intellectual honesty then Finding Faith is one book you really ought to read With logic passion and even handedness that the thinking person will appreciate this book helps you face your obstacles to faith by focusing not on what to believe but on how to believe Whether you want to strengthen the faith you have renew the faith you lost or discover faith for the first time Finding Faith can coach inspire encourage and guide you and help you discover more in life than you'd ever imagined or hoped for Finding Faith Richard Flory, Donald Miller, 2008-02-04 Despite the masses still lining up to enter mega churches with warehouse like architecture casually dressed clergy and pop Christian music the Post Boomer generation those ranging in age from twenty to forty is having second thoughts In this perceptive look at the evolving face of Christianity in contemporary culture sociologists Richard Flory and Donald E Miller argue that we are on the verge of another potential revolution in how Christians worship and associate with one another Just as the formative experiences of Baby Boomers were colored by such things as the war in Vietnam the 1960s and a dramatic increase in their opportunities for individual expression so Post Boomers have grown up in less structured households with working often divorced parents These childhood experiences leave them craving authentic spiritual experience rather than entertainment and also cause them to question institutions Flory and Miller develop a typology that captures four current approaches to the Christian faith and argue that this generation represents a new religious orientation of expressive communalism in which they seek spiritual experience and fulfillment in community and through various expressive forms of spirituality both private and public

Chasing Proof, Finding Faith Tom Rudelius, 2023-08-08 He had science and an Ivy League pedigree why did he need God Immersed in his physics studies at Cornell Tom Rudelius never thought much about God until his brother a new convert to Christianity challenged him to explore faith To placate his twin he reluctantly began exploring the Bible and the life of Jesus Seeking proof of God's existence he found himself in a world of uncertainty faced with plenty of reasons for both faith and doubt In Chasing Proof Finding Faith Tom now a rising young theoretical physicist traces his journey to unexpected faith through subsequent doubt and anxiety and ultimately to a firmer life transforming allegiance to Jesus Along the way he explores some of the issues he wrestled with including Creation and cosmic origins The problem of evil and suffering The compatibility of miracles with science and the plausibility of Jesus resurrection The reliability of the Bible While Tom never found absolute proof of God or Christianity he ultimately concluded that the existing evidence for both is compelling and compatible with science His searingly honest story is a potent guide for those doubting or exploring faith **Finding Faith at the Movies** Barbara Mraz, 2004 Finding Faith---A Search for What Makes Sense Brian D. McLaren, 2009-07-13 Does

having faith mean abandoning reason It s easy to get that impression Still it seems reasonable that a supremely intelligent God would want you to use your God given intellect on your spiritual journey as much as in any other aspect of your life Faith may not stand on rational thinking alone but a solid faith should walk hand in hand with intellectual integrity Does it really matter what I believe What is the relationship between faith and knowledge Why are there so many religions Do all paths lead to the same God This book helps you sort through the questions objections and concerns you can t help but raise A Search for What Makes Sense will help you think your way clearly and honestly to answers that satisfy because they re your answers conclusions you ve arrived at personally without manipulation coercion or game playing For faith to exist and grow it s got to make sense good sense carefully thought out sense And chances are it does FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don t try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul
