

Finding Home This Old House English Edition

J Elliott

Finding Home This Old House English Edition:

The Just Right Home Marianne Cusato, 2013-04-12 Thirty seven million Americans move during any given year Millions more think about it They all want the same thing a perfect place to live But most of us have only the vaguest idea of what makes us happy home wise and don't even know all the questions to ask That's where Marianne Cusato comes in One of the most influential people in the home building industry designer of the Katrina Cottages and go to authority for the media on issues related to housing she's written a comprehensive interactive guide to finding the just right home This is the book that answers the plea she hears every time she gives a speech I wish I'd talked to you before buying my house By leading the reader through every step of choosing a home from the broad strokes such as city vs suburb and buy vs rent to specific details of energy use and building materials The Just Right Home helps readers understand not only what they want in a home but what they need It shows why proximity to work to stores to schools trumps location and what the difference means Why a property's live in value is greater than its resale value How to identify and assess the big three variables function cost delight How to get a realistic grip on budget including factoring in maintenance costs How to plan for future needs children moving out a parent moving in or just growing old in a home Why all square feet are not created equal The ins and outs of zonings covenants home owner associations The five elements to look for when walking through a property How much to pay an inspector And so much more Filled with sidebars boxes examples anecdotes and cheat sheets it's the book that helps readers answer all their questions about where to live and what to live in
