**The Greatest Works of French Literature (English Edition)** Charles Baudelaire, George Sand, Anatole France, Molière, Voltaire, Stendhal, Émile Zola, Alexandre Dumas, Alexandre Dumas fils, Jules Verne, Victor Hugo, Marcel Proust, Guy de Maupassant, Jean-Jacques Rousseau, Jean Racine, François Rabelais, Gustave Flaubert, Gaston Leroux, Pierre Corneille, Pierre Choderlos de Laclos, 2020-12-17 This unique collection of the greatest French classics books has been designed and formatted to the highest digital standards A History of French Literature François Rabelais Gargantua and Pantagruel Molière Tartuffe or the Hypocrite The Misanthrope The Miser The Imaginary Invalid The Impostures of Scapin Jean Racine Phaedra Pierre Corneille The Cid Voltaire Candide Zadig Micromégas The Huron A Philosophical Dictionary Jean Jacques Rousseau Confessions Emile The Social Contract De Laclos Dangerous Liaisons Stendhal **Italian Literature Before 1900 in English Translation** Robin Healey, 2011-01-01 Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English and published between 1929 and 2008 It lists works from all genres and subjects and includes translations wherever they have appeared across the globe In this annotated bibliography Robin Healey covers over 5 200 distinct editions of pre 1900 Italian writings Most entries are accompanied by useful notes providing information on authors works translators and how the translations were received Among the works by over 1 500 authors represented in this volume are hundreds of editions by Italy's most translated authors Dante Alighieri Niccolò Machiavelli and Giovanni Boccaccio and other hundreds which represent the author's only English translation A significant number of entries describe works originally published in Latin Together with Healey's Twentieth Century Italian Literature in English Translation this volume makes comprehensive information on translations accessible for schools libraries and those interested in comparative literature Pub desc

**Attitudes towards English in Europe** Andrew Linn, Neil Bermel, Gibson Ferguson, 2015-07-24 The status of English in Europe is changing and this book offers a series of studies of attitudes to English today Until recently English was often seen as an opportunity for Europeans to take part in the global market but increasingly English is viewed as a threat to the national languages of Europe and the idea that Europeans are equally at home in English is being challenged This book will appeal to anyone interested in global English **The Oxford Handbook of Virginia Woolf** Anne E. Fernald, 2021-08-12 With thirty nine original chapters from internationally prominent scholars The Oxford Handbook of Virginia Woolf is designed for scholars and graduate students Feminist to the core each chapter examines an aspect of Woolf's achievement and legacy Each contribution offers an overview that is at once fresh and thoroughly grounded in prior scholarship Six sections focus on Woolf's life her texts her experiments her life as a professional her contexts and her afterlife Opening chapters on Woolf's life address the powerful influences of family friends and home The section on her works moves chronologically emphasizing Woolf's practice of writing essays and reviews alongside her fiction Chapters on Woolf's experimentalism pay special

attention to the literariness of Woolf's writing with opportunity to trace its distinctive watermark while *Professions of Writing* invites readers to consider how Woolf worked in cultural fields including and extending beyond the Hogarth Press and the TLS. The Contexts section moves beyond writing to depict her engagement with the natural world as well as the political, artistic, and popular culture of her time. The final section on afterlives demonstrates the many ways Woolf's reputation continues to grow across the globe and across media in ideas and in artistic expression. Of particular note, chapters explore three distinct Woolfian traditions in fiction: the novel of manners, magical realism, and the feminist novel.

### **Finding History**

Christine Bombaro, 2012-09-06 In today's world of modern research methods, the irony is that even though more materials are readily available now than ever before, this proliferation of sources has actually made the process more difficult for the novice researcher. In addition, today's professors expect high-quality sources to be used in students' undergraduate research precisely because so much information is available; however, without instruction, many students are not even aware of the standard history sources that they should be using routinely for history research projects. *Finding History* is a practical and modern guide to research for history projects, helping to sort through the available resources and technology for students, scholars, and librarians. *Finding History* includes practical, step-by-step instructions for discovering historical evidence using library catalogs, databases, and websites. It simplifies and clarifies the research process so that students new to the experience may locate appropriate research material with the same skill as seasoned historians. This book addresses the information literacy skills defined by the American Library Association and the American Historical Association, which include recognizing the need for scholarly historical information, defining and identifying the need for primary, secondary, and tertiary sources, knowing what finding tools are available to help locate historical sources, using history research tools efficiently and effectively, learning research vocabulary as well as the vocabulary of the historical profession, making evaluative judgments about the scholarly value of materials once they are located, physically acquiring research materials, using research material effectively to support a thesis or argument, and using research material ethically and responsibly. Including search samples and tables, *Finding History* is a valuable resource for anyone wanting to ensure their research draws from the best available sources and those needing instruction in locating, obtaining, evaluating, and using scholarly sources efficiently, directly, and ethically.

### **Decisions and Orders of the National Labor Relations Board**

United States. National Labor Relations Board, 1975

**Translation and Music** Sebnem Susam-Sarajeva, 2016-04-08 Popular and multimodal forms of cultural products are becoming increasingly visible within translation studies research. Interest in translation and music, however, has so far been relatively limited, mainly because translation of musical material has been considered somewhat outside the limits of translation studies as traditionally conceived. Difficulties associated with issues such as the musicality of lyrics, the fuzzy boundaries between translation, adaptation, and rewriting, and the pervasiveness of covert or unacknowledged translations of musical elements in a variety of settings have generally limited the research in this area to overt and canonized translations.

such as those done for the opera Yet the intersection of translation and music can be a fascinating field to explore and one which can enrich our understanding of what translation is and how it relates to other forms of expression This special issue is an attempt to open up the field of translation and music to a wider audience within translation studies and to an extent within musicology and cultural studies The volume includes contributions from a wide range of musical genres and languages from those that investigate translation and code switching in North African rap and rai and the intertextual and intersemiotic translations revolving around Mahler's lieder in Chinese to the appropriation and after life of Kurdish folk songs in Turkish and the emergence of rock n roll in Russian Other papers examine the reception of Anglo American stage musicals and musical films in Italy and Spain the concept of singability with examples from Scandinavian languages and the French dubbing of musical episodes of TV series The volume also offers an annotated bibliography on opera translation and a general bibliography on translation and music Understanding the Women of Mozart's Operas Kristi

Brown-Montesano,2007-02-07 Is The Marriage of Figaro just about Figaro Is Don Giovanni's story the only one or even the most interesting one in the opera that bears his name For generations of critics historians and directors it's Mozart's men who have mattered most Too often the female characters have been understood from the male protagonist's point of view or simply reduced on stage and in print to paper cutouts from the age of the powdered wig and the tightly cinched corset It's time to give Mozart's women and Mozart's multi dimensional portrayals of feminine character their due In this lively book Kristi Brown Montesano offers a detailed exploration of the female roles in Mozart's four most frequently performed operas Le nozze di Figaro Don Giovanni Cos fan tutte and Die Zauberflöte Each chapter takes a close look at the music libretto text literary sources and historical factors that give shape to a character re-evaluating common assumptions and proposing fresh interpretations Brown Montesano views each character as the subject of a story not merely the object of a hero's narrative or the stock figure of convention From amiable Zerlina to the awesome Queen of the Night to calculating Despina all of Mozart's women have something unique to say These readings also tackle provocative social political and cultural issues which are used in the operas to define positive and negative images of femininity revenge power seduction resistance autonomy sacrifice faithfulness class maternity and sisterhood Keenly aware of the historical gap between the origins of these works and contemporary culture Brown Montesano discusses how attitudes about such concepts past and current influence our appreciation of these fascinating representations of women *"The" English Catalogue of Books*, 1896 *The English Catalogue of Books [annual]*, 1910 Vols 1898 include a directory of publishers

**The English Catalogue of Books [annual]**. Sampson Low,1910 Vols 1898 include a directory of publishers **Encyclopedia of Literary Translation Into English: A-L** O. Classe,2000 Victorian Vocalists Kurt Ganzl,2017-09-29 Victorian Vocalists is a masterful and entertaining collection of 100 biographies of mid to late 19th century singers and stars Kurt Ganzl paints a vivid picture of the Victorian operatic and concert world revealing the backgrounds journeys successes failures and misdemeanours of these

singers This volume is not only an outstanding reference work for anyone interested in vocalists of the era but also a compelling meticulously researched picture of life in the vast shark tank that was Victorian music *Paradise Found* Robert Popple,2023-10-27 When Robert and Heather Popple moved to the Pacific Northwest to live in British Columbia's Fairwinds on Vancouver Island in 2003 it marked the beginnings of an exciting retirement adventure This companion volume to *Born in Huronia* summarizes the past twenty years of Popple's life in BC and includes nine first hand stories by people he has met in that time They include Shelly Stouffer's stroke by stroke account of her 2022 victory at the Senior Women's US Open and surrender of a Nazi submarine in 1945 From Popple's description of the first Europeans arriving in the Pacific Northwest to avoiding insanity in retirement to his travel adventures his summation of the Trump presidency and the details of his Mother of all organ recitals this book is simply a must read *Close-Hauled* Rob Avery,2016-12-05 The sea has inspired exceptional art marvelous music and the finest of literature It is a thing of great beauty It is also powerful and unforgiving And it hides the darkest of secrets Sometimes the water takes note of a small thing a dumb little decision a stupid bit of showing off and it changes lives forever Sim Greene is a fine companion and a gifted detective A semi devout bachelor in his late thirties he lives in Channel Islands Harbor aboard Figaro a 39 foot sailboat He surfs when he likes sails whenever he can and loves a woman who is way out of his league His best friend Al Higgins is a retired Navy Seal who lives on his own boat two slips over Close Hauled the first book in the Sim Greene Figaro Mystery series introduces Sim as a Chief Petty Officer with twenty years in the US Navy as a Master at Arms and Al as his retired but still dangerous friend Sim enjoys his job but is hoping to be approved for officer training to boost his career and maybe land a slot in the Naval Criminal Investigative Service Assigned to investigate the death of a retired Navy Lieutenant something usually reserved for NCIS Sim finds himself tangled in something much larger and far darker than a simple murder Soon the things he loves and the people he cares about are all at risk Al is drawn into the situation and the two must use their wits and skills to survive One false move and the spider web they've stumbled into will ruin their lives Or end them *The Athenaeum* ,1847 *The Spirit of the English Magazines* ,1900 **Opera in Performance** Clemens Risi,2021-09-27 Opera in Performance elucidates the performative dimension of contemporary opera productions What are the most striking and decisive moments in a performance Why do we respond so strongly to stagings that transform familiar scenes to performers bodily presence and to virtuosic voices as well as ill disposed ones Drawing on phenomenology and performance theory Clemens Risi explains how these moments arise out of a dialogue between performers and the audience representation and presence the familiar and the new He then applies these insights in critical descriptions of his own experiences of various singers stagings and performances at opera houses and festivals from across the German speaking world over the last twenty years As the first book to focus on what happens in performance as such this study shifts our attention to moments that have eluded articulation and provides tools for describing our own experiences when we go to the opera This book will particularly interest scholars and students in theater

and performance studies musicology and the humanities and may also appeal to operagoers and theater professionals
