## **Firefighter Skills Second Edition Study Guide:**

**Fundamentals of Fire Fighter Skills** Iafc, 2008-02-22 No other training program has had as great an impact on the fire service as the First Edition of Fundamentals of Fire Fighter Skills. Now with the release of the Second Edition, Jones and Bartlett Publishers, the International Association of Fire Chiefs, and the National Fire Protection Association have joined forces to raise the bar for the fire service once again. Fundamentals of Fire Fighter Skills Second Edition features a laser-like focus on fire fighter safety with a dedicated chapter on safety built on the 16 Fire Fighter Life Safety Initiatives and coverage of the Near Miss Reporting System throughout the text, updated coverage of the 2008 Edition of NFPA 1001 Standard for Fire Fighter Professional Qualifications, expanded skills coverage including over 70 new skills drills, and the inclusion of a free Skills and Drills CD-ROM packaged with each text and free access to an online course management system, JB Course Manager, for adopters of the Second Edition. This resource is designed to encourage critical thinking and aid comprehension of the course material through use of the following materials: Case studies and corresponding questions, Figure labeling exercises, Crossword puzzles, Matching fill in the blank, short answer, and multiple choice questions, Skill Drill activities, Answer key with page references. From Buddy to Boss 2nd Edition Study Guide, Chase Sargent, Chase Sargent's *From Buddy to Boss* Study Guide complete with an answer key and page number references perfectly complements his best seller *From Buddy to Boss: Effective Service Leadership*. Before he started teaching these leadership skills, it quickly became apparent that leadership and human resources training was as scarce as water in a desert and that the fire service was thirsty. Sargent knows from decades of experience that simply reaching the top of the organizational ladder does not make you a good leader. Many leaders are surrounded by external politics, hidden agendas, scarce constraints, and manipulative people—all factors to consider when navigating your career. *From Buddy to Boss* reinforces that the fire service desperately needs leaders. This book and study guide will help develop frontline personnel as leaders. Exam Study Guide for Fire Officer Promotions, Pasquale De
