Constantly Cotton Amy Lane, 2022-04-05 When Jason Constance rescued a busload of kidnapped children he didn't expect a parade He didn't expect to be hunted by mobsters and the military either Wounded and half out of his mind Jason finds himself at the tender mercies of an angel faced nurse named Cotton Cotton has just flunked out of porn and as far as he can tell he's flunking life too Having an injured colonel in his bed seems par for the course but he's too busy keeping Jason alive to question how fate brought him there But fate isn't done with them When they go on the run from the mobsters who shot Jason there should be no time to fall in love but neither man seems suited for an average life or relationship Jason and Cotton can probably survive homicidal mobsters and rogue military operations The question is can they survive the work they'll have to do to forge a place just for them
