Firmin Sam Savage:

Firmin Sam Savage, 2010-11-16 I had always imagined that my life story would have a great first line something like Nabokov's *Lolita* light of my life fire of my loins or if I could not do lyric then something sweeping like Tolstoy's *All happy families are alike but every unhappy family is unhappy in its own way* When it comes to openers though the best in my view has to be the first line of Ford Madox Ford's *The Good Soldier* This is the saddest story I have ever heard So begins the remarkable tale of Firmin the rat Born in a bookstore in a blighted 1960's Boston neighborhood Firmin miraculously learns how to read by digesting his nest of books Alienated from his family and unable to communicate with the humans he loves Firmin quickly realizes that a literate rat is a lonely rat Following a harrowing misunderstanding with his hero the bookseller Firmin begins to risk the dangers of Scollay Square finding solace in the Lovelies of the burlesque cinema Finally adopted by a down on his luck science fiction writer the tide begins to turn but soon they both face homelessness when the wrecking ball of urban renewal arrives In a series of misadventures Firmin is ultimately led deep into his own imaginative soul a place where Ginger Rogers can hold him tight and tattered books storied neighborhoods and down and out rats can find people who adore them A native of South Carolina Sam Savage now lives in Madison Wisconsin This is his first novel *Firmin* Sam Savage, 2009-03-12 A darkly comic tale of exile unrequited love and the redemptive power of books Firmin is born in the basement of a ramshackle old bookstore He's a sensitive creative soul but misunderstood Because Firmin is a rat Not only that but as the runt of the litter he is forced to compete for food and ends up chewing on the books that surround him Firmin soon realizes his source of nourishment has given him the ability to read and this discovery fills him with an insatiable hunger for literature and a very unratlike sense of the world and his place in it As Firmin navigates the shadowy streets of his decaying area looking for understanding his excitement loneliness fear and self consciousness become remarkably human and undeniably touching But the days of the bookshop and of the close community around it are numbered The area has been marked out for urban regeneration and soon the faded glory of the bookshop the small local theatre the unique shops and small cafes will face the bulldozers and urban planners Brilliantly original and richly allegorical *Firmin* is brimming with charm and wistful longing for a world that understands the redemptive power of literature and treasures its seedy theaters one of a kind characters and cluttered bookshops A wonderful celebration of the way reading enriches your life Firmin may be a rat poisoned by people he thinks are his friends but his imagination soars as high as that of any human **GUARDIAN** Surprising and moving meditation on the advantages and disadvantages of an entirely fictional life Eloquent and witty Firmin speaks for the book loving rodent in all of us Karen Joy Fowler bestselling author of *WE ARE ALL COMPLETELY BESIDE OURSELVES* **It Will End with Us** Sam Savage, 2014-10-20 Newsweek's Favorite Books of 2014 Praise for Sam Savage Winner of the O Henry Prize for *Cigarettes* Sam Savage manages to be both artful and literal minded in this faux autobiographical tale of childhood and a mother afflicted and finally driven mad by her wish for artistic success Savage

writes knowingly about the uncertainties of childhood memory but creates a convincing world of sibling combat and adult pretension A wonderful absorbing novel C Michael Curtis Fiction Editor The Atlantic Monthly If the world all its hysteric noise was muted for just one minute Sam Savage is what you might be fortunate enough to hear His elegant laconism his leaps across the self evident his soft aplomb and the rarified air he bestows upon the mundane make him the only American writer worthy of the label the true eccentric Valeria Luiselli It Will End With Us is Sam Savage s latest deep dive into the mind and voice of a character and his most personal work yet Brick by textual brick his narrator Eve builds a memorial to the mother who raised her emotionally abandoned her and shaped her in her own image Eve s memories summon a childhood in rural South Carolina a decaying house on impoverished soil and an insular society succumbing to the influences of a wider world It Will End With Us is a portrait of a place full of hummingbirds and wild irises but also of frustration and grief It is the story of a family tragedy provoked by a mother s stifled ambitions and seized by the wide open gaze of a child Rarely has a novel so brief taken on so much so powerfully Sam Savage is the best selling author of Firmin Adventures of a Metropolitan Lowlife The Cry of the Sloth Glass and The Way of the Dog all from Coffee House Press A finalist for the Barnes Noble Discover Great New Writers Award Savage holds a PhD in philosophy from Yale University and resides in Madison Wisconsin

An Orphanage of Dreams Sam Savage,2019-01-08 Sam Savage s final book is a collection of stripped down visitations flash fictions of smoke breaks and long drives and friends who finally stop showing up The acidic tang of disappointment is here and sparks of biting insight in portraits of people and animals in all our absurdity and failed attempts at meaning As Sam says what a life **The Way of the Dog** Sam Savage,2012-12-18 Sam Savage creates some of the most original unforgettable characters in contemporary fiction Readers are left with a voice so strong that Savage is able to derive significance from these events by sheer literary force Kevin Larimer Poets Writers Savage s skill is in creating complex first person characters using nothing but their own voice Carolyn Kellogg Los Angeles Times Savage creates one of the most intriguing stories and one of the most vivid characters that this reader has encountered this year The Writer Sam Savage s most intimate tender novel yet follows Harold Nivenson a decrepit aging man who was once a painter and arts patron The death of Peter Meinenger his friend turned romantic and intellectual rival prompts him to ruminate on his own career as a minor artist and collector and make sense of a lifetime of gnawing doubt Over time his bitterness toward his family his gentrifying neighborhood and the decline of intelligent artistic discourse gives way to a kind of peace within himself as he emerges from the shadow of the past and finds a reason to live every day in the now Sam Savage is the best selling author of Firmin Adventures of a Metropolitan Lowlife The Cry of the Sloth and Glass A native of South Carolina Savage holds a PhD in philosophy from Yale University He resides in Madison Wisconsin **Glass** Sam Savage,2011 From the best selling award winning author of Firmin a widow tells her side of the story **What I Don't Know About Animals** Jenny Diski,2011-09-20 Explores the complex relationship between humans and animals by examining philosophical scientific and literary material
