rush attack on the Seraphic Council or The Twelve This elite group of all powerful angels is also under the scrutiny of Willow's angel father Raziel who has his own sinister plan to defeat them What Willow hasn't told Alex is that there was also a mysterious boy in her dream one she felt overpoweringly attracted to When brooding gorgeous Seb shows up in the flesh he turns out to be another possibly the world's only other half angel He's been searching for Willow all his life and when Alex enlists this rival to help keep Willow safe he can't predict what chemistry will pass between them or how far Willow might go to keep Alex safe Will their love endure or spell doomsday for the human race
