Food And The Literary Imagination:

Food and the Literary Imagination J. Archer, R. Marggraf Turley, H. Thomas, 2014-11-18 Food and the Literary Imagination explores ways in which the food chain and anxieties about its corruption and disruption are represented in poetry theatre and the novel The book relates its findings to contemporary concerns about food security **Food and the Literary Imagination** Walter Levy, 2007 **Food Culture and Literary Imagination in Early Modern Italy** Laura Giannetti, 2022 As the long sixteenth century came to a close new positive ideas of gusto taste opened a rich counter vision of food and taste where material practice sensory perceptions and imagination contended with traditional social values morality and dietetic medical discourse Exploring the complex and evocative ways the early modern Italian culture of food was imagined in the literature of the time Food Culture and the Literary Imagination in Early Modern Italy reveals that while a moral and disciplinary vision tried to control the discourse on food and eating in medical and dietetic treatises of the sixteenth century and prescriptive literature a wide range of literary works contributed to a revolution in eating and taste In the process long held visions of food and eating as related to social order and hierarchy medicine sexuality and gender religion and morality pleasure and the senses were questioned tested and overturned and eating and its pleasures would never be the same Food and Literature Gitanjali G. Shahani, 2018-06-28 This volume examines food as subject form landscape polemic and aesthetic statement in literature With essays analyzing food and race queer food intoxicated poets avant garde food writing vegetarianism the recipe the supermarket food comics and vampiric eating this collection brings together fascinating work from leading scholars in the field It is the first volume to offer an overview of literary food studies and reflect on its origins developments and applications Taking up maxims such as we are what we eat it traces the origins of literary food studies and examines key questions in cultural texts from different global literary traditions It charts the trajectories of the field in relation to work in critical race studies postcolonial studies and children s literature positing an omnivorous method for the field at large **Gut, Brain, and Environment in Nineteenth-Century French Literature and Medicine** Manon Mathias, 2024-04-30 Gut Brain and Environment in Nineteenth Century French Literature and Medicine offers a new way of conceptualizing food in literature not as social or cultural symbol but as an agent within a network of relationships between body and mind and between humans and environment By analysing gastrointestinal health in medical literary and philosophical texts this volume rethinks the intersections between literature and health in the nineteenth century and triggers new debates about France s relationship with food Of relevance to scholars of literature and to historians and sociologists of science food and medicine it will provide ideal reading for students of French Literature and Culture History Cultural Studies and History of Science and Medicine Literature and Science Food Studies and the Medical Humanities Readers will be introduced to new ways of approaching digestion in this period and will gain appreciation of the powerful resources offered by nineteenth century French writing in understanding the nature of connections between gut

mind and environment and the impact of these connections on our status as human beings *Literature and sustainability* Adeline Johns-Putra, John Parham, Louise Squire, 2017-08-16 This electronic version has been made available under a Creative Commons BY NC ND open access license How might literary scholarship engage with the sustainability debate Aimed at research scholars and advanced students in literary and environmental studies this collection brings together twelve essays by leading and up coming scholars on the theme of literature and sustainability In today's sociopolitical world sustainability has become a ubiquitous term yet one potentially driven to near meaninglessness by the extent of its usage While much has been written on sustainability in various domains this volume sets out to foreground the contributions literary scholarship might make to notions of sustainability both as an idea with a particular history and as an attempt to reconceptualise the way we live Essays in this volume take a range of approaches using the tools of literary analysis to interrogate sustainability's various paradoxes and to examine how literature in its various forms might envisage notions of sustainability *The Picnic* Walter Levy, 2013-11-26 Picnics are happy occasions and have always been a diversion from every day cares We think of the picnic as an outdoor meal set on a blanket usually in the middle of the day featuring a hamper filled with tasty morsels and perhaps a bottle of wine but historically picnics came in many forms served any time of the day This first culinary history reveals rustic outdoor dining in its more familiar and unusual forms the history of the word itself the cultural context of picnics and who arranged them and most important the gastronomic appeal Drawing on various media and literature painting music and even sculpture Walter Levy provides an engaging and enlightening history of the picnic
