Computer Science and Education Wenxing Hong, Yang Weng, 2023-05-13 This three volume set constitutes selected papers presented during the 17th International Conference on Computer Science and Education ICCSE 2022 held in Ningbo China in August 2022 The 168 full papers and 43 short papers presented were thoroughly reviewed and selected from the 510 submissions They focus on a wide range of computer science topics especially AI data science and engineering and technology based education by addressing frontier technical and business issues essential to the applications of data science in both higher education and advancing e Society Recent Developments in Recruitment and Selection Kristina Potočník, Neil Anderson, Marise Ph. Born, Martin Kleinmann, Ioannis Nikolaou, 2024-10-04 This book brings together top recruitment and selection scholars to discuss recent challenges in employee recruitment and selection underpinned by research evidence from different European countries Broadly speaking recruitment and selection are concerned with attracting qualified candidates to apply for available jobs and selecting the best ones from the pool of available candidates As such they are critical to any business Numerous toolkits and best practice guides exist to help recruiters navigate different stages of recruitment and selection However traditional recruitment and selection practices should be adjusted to respond to diverse challenges in the current and future world of work related with increased volatility uncertainty complexity and ambiguity Specific examples of these challenges are related with the accelerated use of technology and artificial intelligence as well as more flexible work practices such as hybrid and platform based work The chapters in this volume cover the use of technology and gamification applicant discrimination and stigmatization and applicant reactions to technology mediated selection methods among others This book is the ideal text for students scholars and researchers of HRM Business and Management and Organizational Psychology It will also interest practitioners and professionals in the field The chapters in this book were originally published as a special issue of European Journal of Work and Organizational Psychology **The Accountant** ,1929 *Elements of Quality Online Education* John R. Bourne, Janet C. Moore, 2004 In the ten years since the inception of the Sloan Consortium the field of online learning has entered the mainstream of higher education making online learning a core ingredient of tomorrow's educational paradigms Now that digital natives are coming of age the blending of on ground and online education is continuous and unstoppable Growing demands for wide choice suggest that the blended agenda presses us rapidly into new realms of inquiry Thus the title of this collection the fifth volume in the Sloan C series on quality is *Elements of Quality Online Education Into the Mainstream* The 14 peer reviewed studies in this volume provide guidance for effectively responding to the challenges facing higher education The studies on Student Satisfaction recognize that significant populations remain underserved Yet asynchronous learning networks ALNs are widening access by easing some of the constraints of place based synchronous learning so that many more and many more new kinds of learners can achieve satisfaction and success The studies on Learning Effectiveness share an emphasis on the ways that ALN exceeds the

no significant difference minimum standard for learning outcomes The studies on blending combining face to face and online methods for learning offer rich possibilities for what many see as the best of both learning modes The studies on assessment go to the core of the Sloan C quality framework and its emphasis on continuous quality improvement through demonstrating progress towards the overarching goal of affordable access for all in a wide range of disciplines In our time of profound rapid and discontinuous change these studies envision solutions to the challenges of online blended and face to face education in higher education Sponsored by the Alfred P Sloan Foundation the purpose of the Sloan Consortium Sloan C is to help learning organizations continually improve quality scale and breadth according to their own distinctive missions so that education will become a part of everyday life accessible and affordable for anyone anywhere at any time in a wide variety of disciplines
