Deborah L. Jones-Allen,2009-11 This book is an Emotional Experience to Unleash Pain Hope and Determination When I wrote this book the thought never occurred to me that so many people shared similar if not the same exact experiences as I At first it was very difficult for me to express in words especially in writing deep secrets that were embedded with shame guilt and internal fears Before divine intervention helped me understand that childhood hurts are just that childhood hurts I was continuously engulfed in a battle that raged war between my spirit soul and body If these hurts are left untreated or unaddressed these childhood hurts have the potential of developing into an array of unwelcomed personality disorders emotional problems and physical illnesses that interferes with one s education relationships finances and spirituality Sadly human behaviors are often altered by society ills toxic environments and learned behaviors which deepens internal conflicts When a person recognizes that good is within them they are able to see themselves differently In order for many of us to move forward we will have to journey back a trip that goes far beyond one s immediate family circumstances and painful memories As recorded in Genesis the journey oftentimes must go back to the footsteps of the first family it is there that one will find blame guilt and shame in the midst of paradise a place of peace and love It is here where we can accept and understand the meaning of being created in God s image to mirror His presence in the earth Despite life adversities you can live a victorious life by knowing that Christ is in control of your life In this book Mirrored Reflection you will discover my personal pain and my personal determination to love and to be loved all embraced the Blessed Hope *The Adventures of TuTu the Flying Chipmunk* Jay Lopez,2022-11-03 Jump into a journey with a young chipmunk named Tutu Along this journey you will see that Tutu is captivated by his neighbors in the forest the flying squirrels who make their flights in the local area

as well as the forbidden zone Scary Ridge Tutu is inspired by the flying squirrels and wants to fly like them But after all he is a chipmunk and does not have wings He will be reminded of this constantly by other forest critters including his family Tutu's family will try their best to detour his absurd dream of flight as they are worried about Tutu's well being with some of the stunts that Tutu recklessly performs But through the help of his mentor Silky the Caterpillar and his girlfriend One as well as a few other forest critters he meets along the way they will go through many adventures trying to achieve Tutu's dream of flying Impossible barriers will be broken Making believers out of all the other forest critters as well such as Tutu's family who thought Tutu was out of his mind But it will not come easily as there will be hardships and mishaps to overcome Through these adventures and hardships lessons will be learned As we follow Tutu on his adventure to find his wings we will see things from his perspective on his dream as well as life and how he never gives up on his dream of flight Through his determination and creativity Tutu will do whatever it takes to make history and his dream of flying a reality This chipmunk has nuts
