Gatsby Bob Batchelor,2013-11-07 In 1925 F Scott Fitzgerald produced his third novel a slim work for which he had high expectations Despite such hopes the novel received mixed reviews and lackluster sales Over the decades however the reputation of The Great Gatsby has grown and millions of copies have been sold One of the bestselling novels of all time it is also considered one of the most significant achievements in twentieth century fiction But what makes Gatsby great Why do we still care about this book more than eighty five years after it was published And how does Gatsby help us
