The Nightly News Nightmare Stephen J. Farnsworth, Robert S. Lichter, 2010-09-16 The Nightly News Nightmare Third Edition examines news coverage of presidential nomination and election campaigns from 1988 to 2008 The book focuses on changes in the amount tone and focus of news coverage in these different electoral contexts In addition to network news the authors examine online news cable television talk radio candidate campaign discourse in these election years Farnsworth and Lichter find that the news media despite the wide variety of outlets have consistent problems in terms of fairness and focus on substantive matters rather than the horse race reporting of the latest polls In addition to the extensive discussion of the 2008 campaign the third edition offers far more discussion and evidence regarding the use of alternative media including online content in the most recent presidential election The authors conclude that online news had many of the same problems found in mainstream news coverage *Construction Methods* ,1958 **Motor** ,1928 **The Motor Truck**
