Crittenden, Kathryn Esper, Rosa Slegers, Nathaniel Karst, 2015-08-14 In this book written by educators for educators scholars from a variety of academic disciplines at Babson College share their experiences in inspiring the next generation of entrepreneurs It offers unique insights into how self and contextual awareness is created and delivered

Demarketing Nigel Bradley, Jim Blythe, 2013-10-23 We all understand the basic principles underpinning marketing activity to identify unfulfilled needs and desires and boost demand for the solutions a product is offering The mantra is always sell more De marketing tries for the very opposite Why would a company actively try to decrease demand There are many good reasons to do so a firm cannot supply large enough quantities or wants to limit supply to a region of narrow profit margin Or crucially to discourage undesirable customers those that could be bad for brand reputation or in the case of the finance sector high risk De marketing can yield effective solutions to these issues effectively curtailing demand yet crucially not destroying it Nevertheless the fundamental negativity of de marketing strategies often causes organisations to hide them from view and as a result they are rarely studied This then is the first book to cast light on the secretive counterintuitive world of de marketing

deconstructing its mysteries and demonstrating how to incorporate them into a profit driven marketing plan A selection of thought leaders in strategic marketing mix theory with illustrative global cases providing insight into how these strategies have been employed in practice and measuring their successes and failures It s a must read for any student or researcher that wants to think differently about marketing

Customer Relationship Management in Electronic Markets

Gopalkrishnan R Iyer,David Bejou,2014-02-04 Discover an important tool in the development of new marketing strategies for satisfying online customers Edited by two experts in the fields of business and marketing Customer Relationship Management in Electronic Markets is designed to help you build Internet relationships that lead to customer retention and long term loyalty With this book you will be able to offer customers the benefits they seek in the virtual marketplace and serve their best interests Examining Web sites e mail data mining and other technology this valuable tool can help you attract and keep the customers who will be the most profitable for your business Despite many predictions that electronic marketing would create high profits for lower costs many businesses have been discouraged by low yields due to ineffectual methods of obtaining and maintaining customers Customer Relationship Management in Electronic Markets provides multiple frameworks strategies and techniques around which to organize your company s electronic marketing plans It shows you how to calculate trends predict customer loss and gain and prevent dissolution through analysis of the customer s ever changing needs This volume also utilizes examples of real successful companies that have used the Internet to the fullest extent like Staples Dell and Amazon com Customer Relationship Management in Electronic Markets is an excellent resource for individuals engaged in any aspect of business relationships from customer service managers consultants and corporate trainers in marketing to owners of major corporations online businesses and entrepreneurs and students in the field Specifically you will gain information on the following business to business B2B and business to customer B2C exchangessimilarities differences and how the Internet has changed these relationships the prospects of the Internet for marketing and customer relationshipspredictions positive effects and negative effects from its inception to today how to develop and maintain a loyal customer base via the Internet improving B2B exchanges and business buyer relationship management through seamless Internet integration how to create a Web site that satisfies loyal customers and draws in new customers Featuring several charts tables and graphs this guide provides effective measures that you can institute to ensure your company s longevity Customer Relationship Management in Electronic Markets will help you create marketing strategies that will successfully meet the needs of your customers and enhance your business reputation
