Experimentalism in Wordsworth's Later Poetry Tim Fulford,2023-06-29 Tim Fulford provides detailed readings of a range

of little known late and difficult poems which together present an alternative Wordsworth to the one we are used to. This newly revealed Wordsworth continued experimenting with form, genre and style as his career progressed so as to ponder the challenging experiences presented by later life. Fulford invites the reader to engage through Wordsworth's poetry with such broadly felt concerns as quarantine, isolation, mental illness and bereavement. Focused yet broad in chronological scope, this study also considers the literature of Wordsworth's old age in relation to his earlier work.
