Ikea White Childrens Shelf:

Unpacking IKEA Pauline Garvey, 2017-11-23 This book represents the first anthropological ethnography of Ikea consumption and goes to the heart of understanding the unique and at times frantic popularity of this one iconic transnational store Based on a year of participant observation in Stockholm s Kungens Kurva store the largest in the world this book places the retailer squarely within the realm of the home building efforts of individuals in Stockholm and to a lesser degree in Dublin Ikea the world s largest retailer and one of its most interesting is the focus of intense popular fascination internationally yet is rarely subject to in depth anthropological inquiry In Unpacking Ikea Garvey explores why Ikea is never just a store for its customers and questions why it is described in terms of a cultural package as everyday and classless Using in depth interviews with householders over several years this ethnographic study follows the furniture from the Ikea store outwards to probe what people actually take home with them

Design by IKEA Sara Kristoffersson, 2014-10-23 Sara Kristoffersson s compelling study provides the first sustained critical history of IKEA Kristoffersson argues that the company s commercial success has been founded on a neat alignment of the brand with a particular image of Swedish national identity one that is bound up with ideas of social democracy and egalitarianism and its material expression in a pared down functional design aesthetic Employing slogans such as Design for everyone and Democratic design IKEA signals a rejection of the stuffy the chintzy and the traditional in both design practices and social structures Drawing on original research in the IKEA company archive and interviews with IKEA personnel Design by IKEA traces IKEA s symbolic connection to Sweden through its design output and its promotional materials to examine how the company both promoted and profited from the concept of Scandinavian Design

Art Workshop for Children Barbara Rucci, Betsy McKenna, 2016-11-01 Art Workshop for Children is not just another book of straightforward art projects The book s unique child led approach provides a framework for cultivating creative thinking and encourages the wonder that comes when children are allowed to freely explore the creative process and their materials As children work through these open ended workshops adults are guided on how to be facilitators who provide questions encourage deep thinking and help spark an excitement for discovery Children explore basic materials and workshops that use minimal supplies and then gradually add new materials to fill the art cabinets as well as new skills and more complex workshops Most workshops are suitable to preschool aged children and each contains ideas for explorations and new twists to engage older or more experienced artists Interspersed throughout are sidebar essays that introduce perspectives on mess making imperfection the role of adult collaborative art and thoughts on the Reggio Emilia method a self guided teaching philosophy These pieces underscore the value of art making with children and support the parent teacher care giver on how to successfully lead question and navigate their children through the workshops to result in the fullest experiences

The Forgotten Ones Tionne Rogers, 2015-04-29 Even high class prostitute is better than this dullness I live in thought Julian before he left everything behind Poor uneducated low class the youth had all odds

against him but his beauty and determination to get his way were his greatest capital A simple job for an eccentric and aloof man could prove to be mankind's greatest challenge **Parents**, 2001 **Bringing in Finn** Sara Connell, 2012-08-28 Summary In February 2011 61 year old Kristine Casey delivered the greatest gift of all to her daughter Sara Connell Sara's son Finnean At that moment Kristine the gestational carrier of Sara and her husband Bill's child became the oldest woman ever to give birth in Chicago While Finnean's birth made local headlines this book tells one modern family's remarkable surrogacy story Connell recounts the tragedy and heartbreak of losing pregnancies the process of opening her heart and mind to the idea of her mother carrying her child for her and the profound bond that blossomed between mother and daughter as a result of their unique experience together Bringing in Finn is a tale of despair hope forgiveness and redemption and the discovery that when it comes to unconditional love there are no limits to what can be achieved From publisher description [The Danish Secret to Happy Kids](#) Helen Russell, 2024-07-09 Smart witty and packed with surprising facts about life in the Nordics The Danish Secret to Happy Kids is a foolproof roadmap to raising kids the Viking way If you enjoy Helen Russell's signature self-deprecating sense of humor and captivating storytelling you're in for a real treat Linda Keson McGurk author of There's No Such Thing as Bad Weather and The Open Air Life What do Vikings know about raising children Turns out quite a bit After a decade of living in Denmark and raising her three kids there Helen Russell noticed that Nordic kids or mini Vikings are different from children raised in other parts of the world They eat differently They learn differently They play dress and even sleep differently They run jump climb fall and get up again out in nature for hours a day It's cold and wet and uncomfortable often But they cope Even though the weather's terrible and it's dark October through March And then they grow up to be some of the happiest adults on the planet So her question was how In The Danish Secret to Happy Kids Russell dives deep into the parenting culture of Denmark and the other Nordic nations from parental leave policies to school structure to screen time uncovering surprising strategies and customs that lead to largely happy well-adjusted humans over the long term This fascinating peek behind the cultural curtain allows readers to marvel over infants comfortably sleeping outside in chilly temperatures school age kids wielding axes in the woods and teenagers spending a year or two at efterskole a special boarding school designed to prepare adolescents for independent life in the real world a concept that is beginning to be adopted in other nations Refreshingly funny and unfailingly optimistic about the new generation of humans growing up in the world right now The Danish Secret to Happy Kids is a heart-warming love letter to Russell's adopted homeland a comforting armchair travel read and proof that we could all use a bit more Viking in our everyday lives **Europe and the Refugee Crisis** Frances Trix, 2018-11-29 Since 2014 more than 60 million people have been displaced from their homes across the Middle East and Africa The European Refugee Crisis as it has come to be known is now the largest such crisis since the aftermath of World War II How have local communities reacted to the influx of asylum seekers And what can we learn from their responses Frances Trix here offers a wide-ranging ethnographical and

anthropological study of local individual responses to refugees from Macedonia to Germany Based on extensive interviews and field work in Europe Trix focuses for the first time on the ways that refugees have been welcomed or not as the case may be by various individuals and communities Her work ranges from Macedonians who established an NGO and lobbied to allow the refugees to use the train to the police charged with border management from a German organic food store owner who by her actions set the positive tone in her village a retired IT manager who coordinates refugee volunteers for his entire town to the district work organisation director who deems refugees unsuitable for multiple reasons The material is measured throughout against Trix's anthropological experience as well as reference to the historical and political contexts in which events are unfolding This book is essential reading for all those working on the refugee crisis and the prospects both local and global for the future
