*An Invincible Summer* Matthew Turk,2021-02-23 In 2022 the possibility of a full time position as an analyst at one of Chicago s most renowned investment banks draws the starry eyed ambitions of an unnamed protagonist better within reach Straight out of college with only loans to her name she comes to an excruciating realization however lurking just underneath the surface she s a small town girl from a fishing town in Maine lost in the claptrap hustle and bustle of urban life In an attempt to find a new home this character throws herself into a romantic relationship that quickly results in coercion into nonconsensual sex In the amorphous predicament she cannot discern the assailant s intentions but rationalizes the decision of sticking with him as he begins to gain international acclaim as a movie producer Lured again by financial stability and prestige she dares to want something else but is it too late By the end of this story *An Invincible Summer* illustrates the complications of a rapidly growing industrialized capitalist country in the 21st century as the narrator struggles to reconcile the potential hard hours of a dead end job versus trying to maintain romance Amid struggles with excessive drinking and familial alienation this character s widespread relatability reveals the conditions of the modern individual as well as the depths and how one balances the light and the dark now and for the future *In Me an Invincible Summer* Maxine R.

Jennings,197? **The Villa** Rachel Hawkins,2023-01-03 INSTANT NEW YORK TIMES BESTSELLER Hawkins weaves an engrossing tale about betrayal sisterhood and the power of telling your own story Captivating People Hawkins is the reigning queen of suspense Heather Gudenkauf New York Times bestselling author The bestselling author of *The Wife Upstairs* returns with a brilliant new gothic suspense set at an Italian villa with a dark history As kids Emily and Chess were inseparable But by their 30s their bond has been strained by the demands of their adult lives So when Chess suggests a girls trip to Italy Emily jumps at the chance to reconnect with her best friend Villa Aestas in Orvieto is a high end holiday home now but in 1974 it was known as Villa Rosato and rented for the summer by a notorious rock star Noel Gordon In an attempt to reignite his creative spark Noel invites up and coming musician Pierce Sheldon to join him as well as Pierce s girlfriend Mari and her stepsister Lara But he also sets in motion a chain of events that leads to Mari writing one of the greatest horror novels of all time Lara composing a platinum album and ends in Pierce s brutal murder As Emily digs into the villa s complicated history she begins to think there might be more to the story of that fateful summer in 1974 That perhaps Pierce s murder wasn t just a tale of sex drugs and rock roll gone wrong but that something more sinister might have occurred and that there might be clues hidden in the now iconic works that Mari and Lara left behind Yet the closer that Emily gets to the truth the more tension she feels developing between her and Chess As secrets from the past come to light equally dangerous betrayals from the present also emerge and it begins to look like the villa will claim another victim before the summer ends Inspired by Fleetwood Mac the Manson murders and the infamous summer Percy and Mary Shelley spent with Lord Byron at a Lake Geneva castle the birthplace of Frankenstein *The Villa* welcomes you into its deadly legacy **Albert Schweitzer**
