Paper 02 – General Proficiency

2 hours 40 minutes

22 MAY 2013 (a.m.)

1. Number

a. --

i. $\frac{11}{18}$

ii. 1.3524

b. The better buy is decided on how much are you getting per dollar spent.

More is better. So we compare both $\frac{350\text{ml}}{\$4.2} = 83.3\text{ml} / \$$ and

$\frac{450\text{ml}}{\$5.13} = 87.72\text{ml} / \$$, we see that buying the 450ml is better

c. --

i. \$768 interest in the first year

ii. \$6000 remains to be paid

iii. \$480 interest in the second year calculated on the reducing balance

2. Algebra

a. Factorize completely

i. $2x^3 - 8x = 2x(x-2)(x+2)$

ii. $3x^2 - 5x - 2 = (3x+1)(x-2)$

b. --

i. $F = \frac{9}{5}C + 32 \Rightarrow C = \frac{5}{9}(F - 32)$

ii. $C = \frac{5}{9}(113 - 32) = 45^\circ C$

c. --

i. .

a. $10(500 - x)$

equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 **The Return of the Moguls** Dan Kennedy, 2018-03-06 The Return of the Moguls chronicles an important story in the making one that will affect more than just the newspaper business it has the power to change democracy as we know it Over the course of a generation the story of the daily newspaper has been an unchecked slide from record profitability and readership to plummeting profits increasing irrelevance and inevitable obsolescence The forces killing major dailies alternative weeklies and small town shoppers are well understood or seem obvious in hindsight at least and the catalog of publications that have gone under reads like a who's who of American journalism During the past half century old style press barons gave way to a cabal of corporate interests unable or unwilling to invest in the future even as technological change was destroying their core business The Taylor family sold the Boston Globe to the New York Times Company in 1993 for a cool 1.1 billion Twenty years later the Times Company resold it for just 70 million The unexpected twist to the story however is not what they sold it for but who they sold it to John Henry the principal owner of the Boston Red Sox A billionaire who made his money in the world of high finance Henry inspired optimism in Boston because of his track record as a public spirited business executive and because his deep pockets seemed to ensure that the shrunken newspaper would not be subjected to further downsizing In just a few days the sale of the Globe was overtaken by much bigger news Jeff Bezos the founder of Amazon and one of the world's richest people had reached a deal to buy the Washington Post for 250 million Henry's ascension at the Globe sparked hope Bezos's purchase seemed to inspire nothing short of ecstasy as numerous observers expressed the belief that his lofty status as one of our leading digital visionaries could help him solve the daunting financial problems facing the newspaper business Though Bezos and Henry are the two most prominent individuals to enter the newspaper business a third preceded them Aaron Kushner a greeting card executive acquired California's Orange County Register in July 2012 and then pursued an audacious agenda expanding coverage and hiring journalists in an era when nearly all other newspaper owners were trying to avoid cutting both The newspaper business is at a perilous crossroads This essential book explains why and how today's new crop of media moguls might help it to survive Just Security in an Undergoverned World William Durch, Joris Larik, Richard Ponzio, 2018-01-19 Just Security in an Undergoverned World examines how humankind can manage global problems to achieve both security and justice in an age of antithesis Global connectivity is increasing visibly and invisibly in trade finance culture and information helping to spur economic growth technological advance and greater understanding and freedom but global disconnects are growing as well Ubiquitous electronics rely on high value minerals scraped from the earth by miners kept poor by corruption and war People abandon burning states for the often indifferent welcome of wealthier lands whose people in turn draw into themselves Humanity's very success underwritten in large part by lighting up gigatons of long buried carbon for 200 years now threatens humanity's future The global governance institutions established after World War II to manage global threats especially the twin scourges of war and poverty have expanded in reach and

impact while paradoxically losing the political support of some of their wealthiest and most powerful members Their problems mimic those of their members in struggling to adapt to new problems and maintain trust in norms and public bodies This volume argues however that a properly mandated managed and modernized global architecture offers unparalleled potential to midwife solutions to intractable issues from violent conflict and climate change to poverty and pandemic disease that transcend borders and the capacities of individual actors It offers just security as a new framework for sharing innovative solutions and strategies for effective and essential global governance

Understanding the Consecrated Life in Canada Jason Zuidema, 2015-12-21 The story of the consecrated life in Canada since the 1960s should be about much more than numerical decline Although the falling numbers are significant among Catholic religious communities that pre-date Vatican II many communities continue to show stability and even growth This book provides nuance to that story by adding detailed portraits of movements communities and institutions In four parts this book presents essays from the leading scholars on religious life in Canada that seek to address the state of religious communities dedicated to religious virtuosity normally characterized by formal promises of chastity poverty and obedience The essays examine a broad range of topics related to the general state of consecrated or religious or monastic life in contemporary Canadian Christian and Buddhist traditions In the first section the contributors trace the demographics and definitions of religious life in Canada The second section examines Canadian developments in Catholic religious life during the Vatican II and the post-Vatican II eras A third section explores trends in contemporary Canadian religious life while the fourth section describes the consecrated life in other Canadian religious traditions
