Metaphor and Thought Andrew Ortony, 1993-11-26 *Metaphor and Thought* first published in 1979 reflects the surge of interest in and research into the nature and function of metaphor in language and thought In this revised and expanded second edition the editor has invited the contributors to update their original essays to reflect any changes in their thinking Reorganised to accommodate the shifts in central theoretical issues the volume also includes six new chapters that present important and influential fresh ideas about metaphor that have appeared in such fields as the philosophy of language and the philosophy of science linguistics cognitive and clinical psychology education and artificial intelligence **A Cognitive**

Poetic Perspective on Mapping Metaphor, Symbol and Allegory ZHU Ruiqing, 2018-12-01 Visual Metaphors and Aesthetics Michalle Gal, 2022-05-19 This book offers a new definition of metaphor as an ontological and visual construction whose roots are external visual forms and its motivation is our attachment to forms This definition which Michalle Gal names visualist challenges the ruling conceptualist theory of metaphors and places a new emphasis on how we experience rather than understand metaphors In doing so she responds to the visual turn that is taking place in literature and the media demanding that the visual become a site of philosophical analysis This focus on the external visual world allows Gal to employ visual theories to capture the essence of metaphor She looks beyond conceptual or semantic mechanism and returns to theories of Arnheim and Gombrich and the current evolution of ideas about the visual or material and embodied cognition Proposing to see visual metaphors in their basic form she uses a new externalist terminology of ontology visuality composition affordance construction and emergence Setting out a new theory that takes into account that humans are visual no less than cognitive creatures *Visual Metaphors and Aesthetics* lays the foundation for a new vocabulary to talk about metaphors

Variations on Metaphor Ilaria Rizzato, Francesca Strik Lievers, Elisabetta Zurru, 2021-08-13 Metaphor is a fascinating and at the same time complex phenomenon It can be approached from a multitude of perspectives and the linguistic realizations of metaphors vary not only across languages but also across text genres cultures and time This book reflects such complexity and variability by gathering a collection of studies that adopt different theoretical views and explore the actual uses of metaphors in different text types literary folkloric journalistic and scientific and languages Hungarian Chinese French English Italian Latin and Ancient Greek By providing the reader with a view of metaphor and current metaphor research which is both diversified and coherent this volume will provide insights for cognitive linguists scholars involved in metaphor studies and more generally readers interested in linguistic variation **Metaphor Translation in**

Popular Science Sui He, 2024-12-30 This book explores the intersection of metaphor studies and translation studies specifically focusing on popular scientific articles The volume complements existing work on conceptual metaphor theory in translation by aligning it with conceptual blending theory to demonstrate how an integrated approach offers a more expansive understanding of the cognitive and linguistic dimensions of metaphor translation It includes an essential

introduction to the key concepts and theories in metaphor studies and metaphor translation research discerning the importance of localising theories from neighbouring disciplines such as metaphor studies for advancing interdisciplinary research in translation studies Sui He applies this approach to popular cosmological discourse analysing examples from articles in Scientific American and their Chinese translations allowing for a nuanced examination of translation strategies adopted by translators at both cognitive and linguistic levels which presents the circulation and transformation of popular cosmological knowledge from English in two Chinese mediated communities This book will be of interest to students and scholars in translation studies metaphor studies and discourse analysis

Plant Metaphors in the Old Greek of Isaiah

Benjamin M. Austin, 2019-02-01 A thorough analysis of metaphor translation techniques used in Isaiah In this study Benjamin M Austin analyzes all the plant metaphors in Isaiah and classifies them according to the metaphor translation techniques used by the Septuagint translator Austin illustrates how the translator took the context of each metaphor into account and demonstrates how the natural features of the plants under discussion at times influenced their translation He argues that the translator tried to render metaphors vividly and with clarity sometimes adjusting them to match the experience of his audience living in Egypt Austin also examines metaphors in terms of their vehicles the objects of comparison so that the translation of similar metaphors can be compared Features A comparison of the Masoretic Text to the Septuagint and Targum A classification of metaphor translation strategies An introduction to the Hellenistic and the Jewish conception of metaphors

Metaphors in the Discussion on Suffering in Job 3-31 Hanneke van

Loon,2018-09-11 In *Metaphors in the Discussion on Suffering in Job 3 31* Hanneke van Loon offers a new approach to the theme of suffering in the book of Job Her analysis of metaphors demonstrates that Job goes through different stages of existential suffering in chapters 3 14 and that he addresses the social dimension of his suffering in chapters 17 and 19 Van Loon claims that Job s existential suffering ends in 19 25 and that chapters 23 31 reflect a process in which Job translates his own experience into a call upon the audience to adopt a new attitude toward the unfortunate ones in society The theoretical approach to metaphors is based on insights from cognitive linguistics

The Tree of Life and Arboreal Aesthetics in

Early Modern Literature Victoria Bladen,2021-10-27 *The Tree of Life and Arboreal Aesthetics in Early Modern Literature*

explores the vital motif of the tree of life and what it meant to early modern writers who drew from its long histories in biblical classical and folkloric contexts giving rise to a language of trees an arboreal aesthetics An ancient symbol of immortality the tree of life was appropriated by Christian ideology and iconography to express ideas about Christ however the concept also migrated beyond religious doctrine Ideas circulating around the tree of life enabled writers to imagine and articulate ideas of death and rebirth loss and regeneration the condition of the political state and personal states of the soul through arboreal metaphors and imagery The motif could be used to sacralise landscapes such as the garden orchard or country estate blurring the lines between contemporary green spaces and the spiritual and poetic imaginary Located within the field of environmental humanities and intersecting with ecocriticism and critical plant studies this volume outlines a comprehensive history of the tree of life and offers interdisciplinary readings of focus texts by Shakespeare George Herbert Henry Vaughan Aemilia Lanyer Andrew Marvell and Ralph Austen It includes consideration of related ideas and motifs such as the tree of Jesse and the Green Man illuminating the rich histories and meanings that emerge when an understanding of the tree of life and arboreal aesthetics are brought to the analysis of early modern literary texts and their representations of green spaces both physical and metaphysical

Can't See the Wood for the Trees? Alison Smith, 2018-08-21 A guide to using the metaphorical language of a stuck situation to discover the solution Shares an easy fun process of exploring well known sayings as a means to identify new solutions and get unstuck in life and work Explains how to bring clarity to a problem highlight alternative perspectives bypass any conscious resistance to finding a solution and allow solutions to emerge organically from within ourselves Details the author's Landscaping Your Life method which has been used successfully in business strategy development team development project problem resolution and in one to one coaching If you can't see the wood for the trees feel like a fish out of water or are going around in circles we've got good news for you that saying is also a clue to where you'll find the solution Yes you read right you can use the language you're using to describe the stuck situation to discover the solution It's not even the language as much as the landscape contained within your description of the situation that can give you pointers As Alison Smith explains If a picture paints a thousand words then a metaphor paints a thousand pictures In other words the metaphor in the saying you're using will provide a million words that will undoubtedly have the solution contained within them That's what this book is all about taking these sayings that you're using to describe being stuck and using them to get unstuck again The language you apply provides clues to how you perceive the current situation Subconsciously you know the solution Exploring the metaphors contained within your language allows your subconscious to communicate to your conscious awareness more easily The metaphor reduces resistance and the barriers we put up to change It's as if we enjoy exploring the metaphor and forget what it means in reality and before we know it we have a metaphorical solution that we cannot help but translate into real life Offering an effective easy process based on the power of metaphors Alison Smith introduces her Landscaping Your Life method as a means to bring clarity to a

problem highlight alternative perspectives and allow solutions to emerge organically from within ourselves The Tree Climbing Cure Andy Brown, 2022-12-15 Our relationship with trees is a lengthy complex one Since we first walked the earth we have at various times worshiped them felled them and even talked to them For many of us though our first memories of interacting with trees will be of climbing them Exploring how tree climbers have been represented in literature and art in Europe and North America over the ages The Tree Climbing Cure unpacks the curative value of tree climbing examining when and why tree climbers climb and what tree climbing can do for and say about the climber's mental health and wellbeing Bringing together research into poetry novels and paintings with the science of wellbeing and mental health and engaging with myth folklore psychology and storytelling Tree Climber also examines the close relationship between tree climbing and imagination and questions some longstanding problematic gendered injunctions about women climbing trees Discussing among others the literary works of Margaret Atwood Charlotte Bronte Geoffrey Chaucer Angela Carter Kiran Desai and J R R Tolkien as well as work by artists such as Peter Doig Paula Rego and Goya this book stands out as an almost encyclopedic examination of cultural representations of this quirky and ultimately restorative pastime God Beyond Gender Gail Ramshaw, 1995 The debate about God language has two opposing extremes One side maintains that biblical language and masculine pronouns must be retained The other argues that female imagery for God is preferable Now Gail Ramshaw presents a third position urging the inclusion of many images for God the correction of others and the total avoidance of any pronouns Plant Metaphors in Prophetic Condemnations of Israel and Judah Tina M. Sherman, 2023-11-17 Tina M Sherman offers a first of its kind detailed analysis of prophetic passages that depict people as plants from grasses and grains to fruit trees and grapevines examining how the biblical authors exploited these metaphors to portray the condemnation and punishment of Israel and Judah in terms of the everyday work of crop farming and plant husbandry Additionally she explores how the prophetic authors employed plant imagery to construct national identities that emphasize the people's collective responsibility for the kingdom's fate Plant Metaphors in Prophetic Condemnations of Israel and Judah demonstrates the usefulness of combining conceptual metaphor theory with aspects of frame semantics in the analysis of patterns of thought and expression in biblical metaphor Networks Sydney University alumni staff and students, 2022-03-01 Our world is built around the people groups and communities we surround ourselves with They form networks of connections beliefs and ideas that can help to shape the people we become These networks have become vital in a time where lockdowns have pushed us apart and reinforced the need to be a part of something whole This anthology examines the ways we find joy in lockdown keep people and places alive through memory and search for connection in an increasingly digital age Featuring poetry short stories and visual art it introduces bold new voices that will command your attention and prompt you to think differently about the relationships that make everyday life worthwhile **Concepts, Discourses, and Translations** Barbara Lewandowska-Tomaszczyk, Marcin Trojszczak, 2022-06-06 This present book

discusses issues related to languages cultures and discourses by addressing a variety of topics ranging from culture and translation cognitive and linguistic dimensions of discourse and the role of language in political discourses and bilingualism By focusing on multiple interconnected research subjects the book allows us to see the intersections of language culture and discourse in their full diversity and to illuminate their less frequented nooks and crannies in a timely fashion The Biomimicry Revolution Henry Dicks, 2023-03-14 Winner 2024 Symposium Book Award Canadian Society for Continental Philosophy

Modernity is founded on the belief that the world we build is a human invention not a part of nature The ecological consequences of this idea have been catastrophic We have laid waste to natural ecosystems replacing them with fundamentally unsustainable human designs With time running out to address the environmental crises we have caused our best path forward is to turn to nature for guidance In this book Henry Dicks explores the philosophical significance of a revolutionary approach to sustainable innovation biomimicry The term describes the application and adaptation of strategies found in nature to the development of artificial products and systems such as passive cooling techniques modeled on termite mounds or solar cells modeled on leaves Dicks argues that biomimicry typically seen as just a design strategy can also serve as the basis for a new environmental philosophy that radically alters how we understand and relate to the natural world By showing how we can imitate emulate and learn from nature biomimicry points us toward a genuinely sustainable way of inhabiting the earth Rooted in philosophy The Biomimicry Revolution has profound implications spanning the natural sciences design architecture sustainability studies science and technology studies and the environmental humanities It presents a sweeping reconception of what philosophy can be and offers a powerful new vision of terrestrial existence
