**Holding down the Fort** Aaron Bielejewski,2022-11-26 This Open Access book questions the relationship between institutionalized images and understandings of policing the monolithic ideas common to most if not all Western law enforcement agencies and contextual situative and local interactions where the human representatives of policing street level officers come into contact with residents The political and theoretical association of specific forms of Western policing with democratic society can be illustrated in the case of German integration narratives of reform and essentially forging new democratic police agencies in the new German states stand at odds with much of the experience and statements of officers who continued to serve following Re Unification Officers who present their works primarily in terms of their local responsibilities expectations and more specifically to their unique and individual relationship and connection to their communities downplay the relevance of high level policing policy Based on a two year ethnographic study of policing in a rural county in the German state of Brandenburg this book explores the local nature of policing both in terms of how police officers imagine their communities to be and with reference to broader societal expectations and assumptions of what police essentially are can effectively do and should effectively do     Police Respond to Terrorism Garth den Heyer,2023-09-25 This book examines the police response to the terrorist attacks in case studies that occurred in Mumbai 2008 Paris 2015 Brussels 2016 and Manchester 2017 The methodological approach to the case studies is comparative and features an interactive framework that incorporates a number of key variables These variables include an examination of each of the terrorist attacks a description of the terrorists involved their actions the response of the police and any weaknesses and strengths identified in the police response Following the introduction the book comprises of three sections The first section looks at the theory of the police response to terrorism The second section includes the presentation of the four case study terrorist attacks The third and final section includes an analysis and comparison of the case study attacks and an examination on how the police response to terrorist attacks could be improved It is ideal for policing professionals     *Electrified Democracy* Andrew Blick,2021-07 An examination in historical context of the approach the UK Parliament has taken towards the Internet and its wider implications     **The Oxford Textbook on Criminology** Stephen Case,Steve Case,David Manlow,Philip Johnson,Kate Williams,Roger Smith,2021 The Oxford Textbook on Criminology has been developed by a team of experts to equip you with the knowledge confidence skills and enthusiasm you need to achieve your full potential as a criminologist Back cover     The Policing of Protest, Disorder and International Terrorism in the UK since 1945 Peter Joyce,2017-02-06

This book examines the nature of protest and the way in which the police and state respond to the activities associated with this term. Protest is explored within the context of the perceived decline in public engagement with recent general election contests. It is often thought that protest is regarded as an alternative to or as a replacement for formal political engagement with electoral politics and this book provides a thoughtful assessment of the place of protest in the contemporary conduct of political affairs. Analysing key forms of protest such as demonstrations, direct action, protest conducted within the workplace, riots and terrorism, this study also illustrates each of these activities with a wide range of examples of events that have taken place within the UK since 1945. It will be of keen interest to students of criminology, criminal justice studies, police studies and politics.
